Architectural Review Request

In accordance with our Improvement Standards, no building, fence, patio, or other structure shall be painted, erected, altered, added to, placed, or permitted on any lot until it is approved by the Architectural Committee in writing. POA membership fees must be paid in full.

Please submit two copies of this completed form along with a site plan and drawing showing where the improvement will be located in reference to the property lines. Include the linear footage to all current structures and non-structural elements.

For clarification, photos, drawings, or brochures of your proposed project may be included with this request. New construction homes are also required to follow our Construction Standards.
