# Happy Halloween All y'all

Let's be good to all the trick or treaters

Nice turnout for the 19th Hole get together a few weeks ago. Great to get back in touch with the neighbors and hear about their travels and updates of their families. Fun time for sure!

**BIG THANKS** to **Barbara Morrish** for the many years of serving the neighborhood by growing and planting the flowers up front. Barbara is retiring from garden duty. We also want to thank **Beverly Campbell** for all the work that she has done taking care of the flowers on the inside, much appreciated.
