A Message from the Board

We had good attendance at our Open Board Meeting on Aug. 17, 2023 with 25 attendees but would love to see more of you.

THANK YOU, THANK YOU to Cindy Pearce for all the service she has provided to our community. Cindy served on our board as President twice and as Vice President.

She has stepped down from the President position but continues to head up our very important Architectural Committee. Cindy and her husband Ricky have both had a huge positive impact on our neighborhood. Thank you to Stephen Price for stepping up as President and already working hard in his new position.

The Board continues to work hard to maintain our common areas in the neighborhood. Board members, their families and other members have greased the front gate, pulled dead plants on Legendary Oaks, and mowed and weed eaten outside the gate along 290. We have paid to have the bed outside the gate weeded.

The PAY HOA software program has been set up and we are working on connecting with banking, uploading data base etc. and hope to be up and running in the next month. Eventually everyone will have their own account and will be able to make maintenance fee payments, access their payment information, as well as access our documents. Stephen is also continuing to work on improving our Website.

The Restated Operating Guide, Bid Process, and Management Certificate documents approved at the last meeting have been notarized and filed with the county. They will be uploaded to the program for all to access. On September 1, 2024, the revised budget and past due notices for those that have not paid the Street and Drainage Maintenance Fees along with late fees will be sent out.

WILD WEST WEDNESDAY MOVIE

Wednesday, Sept. 6, 12:30 – 2:30 p.m.

Bring a friend and join us to screen a great, classic Western movie. We will serve popcorn for your enjoyment, but you are also welcome to bring your own favorite movie theater snacks! Registration is requested.

SPACKLE - PAINTED ANGELS ON WOOD

Monday, Sept. 11, 9 a.m. – Noon

Join volunteer crafter Rebecca Garza, as she demonstrates how to make beautiful, rustic-chic-style angels. All materials will be provided – including wood, spackle, and paint. If you wish to bring your own piece of wood, we ask you to bring a piece that measures 12" x 6". Please note – this is a class for adults, and space is limited to eight participants. Registration is required.

BETTER LIVING FOR TEXANS

GET THE FACTS

Mondays, Sept. 11, 18, 25, and Oct. 2, 1 – 2 p.m.

"Get the Facts" is a four-session lecture series for adults, presented by the Harris County Texas A&M AgriLife Extension. Participants will learn how to read the Nutrition Facts Label. The series emphasizes focus on sodium, fats, added sugars, and portion size. Registration is required.

SENIOR GAMES AND HOT DOG POTLUCK LUNCHEON

Friday, Sept. 1, 10 a.m. – 2 p.m.

Hot dogs, buns, and condiments will be provided today in celebration of the upcoming Labor Day holiday. Bring salads, desserts, or other foods you like to eat alongside hot dogs, to make our lunch a special holiday meal.

SALT DOUGH PARTY FAVORS

Tuesday, Sept. 5, and Thursday, Sept. 7, 9 – 10:30 a.m.

Come have some fun with salt dough! We are preparing surprise favors for our upcoming Oktoberfest Celebration. On Sept. 5, learn how to make the dough, shape it, and bake it. On Sept. 7, come back to paint the favors and add the finishing touches. Registration is required.

BOOK CLUB

Tuesday, Sept. 5, 1 – 2 p.m.

Do you love reading, or do you wish you read more and need something to help motivate you? Join like-minded friends at our monthly book club! Once a month, we discuss our chosen fiction or nonfiction book. Copies of all books are provided for free from the Harris County Public Library collection, both physically and as e-books and e-audiobooks! This month's book selection is "The Dry" by Jane Harper.

OKTOBERFEST CELEBRATION

Thursday, Sept. 28, 12:30 – 2 p.m.

Come join us for this year's Oktoberfest. There will be door prizes, traditional German foods, non-alcoholic drinks, and music. We are planning a potluck, and encourage all participants to bring a German-inspired dish. At sign-up, there will be a binder with different German recipes from which to choose. If you have a Dirndl or Lederhosen, we would love to see you wear them, or a Bavarian-style hat! Registration is required.

Stay Ready During Hurricane Season

I don't know about you, but one thing that really bothers me is when I feel unprepared. I like to be as prepared as I can be to put my best foot forward in any situation or circumstance. Those of you who are familiar with the Boy Scouts know that their motto is "Be prepared." This means that a Scout is always in a state of readiness in mind and body to do their duty.

Likewise, the Bible often speaks about being pre-prepared. As stated in 2 Timothy 4:2, we should "be ready in season and out of season." With that said, one Bible verse that comes to mind on preparedness is Ezekiel 38:7: "Be ready and keep ready, you and all your hosts that are assembled about you and

be a guard for them." Essentially, we should never let our guard down or be complacent with the circumstances that surround us. I believe when we are prepared, it gives us peace of mind.

Each year from June through November, a large portion of Texas faces the threat of hurricanes. While coastal communities are most vulnerable, inland areas of the state can still be at risk. To survive a hurricane, know the dangers and stay prepared. Here are some tips that San Bernard Electric Cooperative wants to share with you to help you stay prepared during hurricane season.

Make an Evacuation Plan

Plan your evacuation route ahead of time and make sure your car has a full tank of gas.

Assemble a disaster supplies kit with essential items such as water, food, medications, and important documents, including a copy of your home-owners insurance policy.

Be sure to plan for family members who are elderly, young or have special health needs. Don't forget to plan for pets too.

Secure Property First

Remove tree limbs that could fall onto your home.

If you live in a mobile home, secure it with tie-downs.

Board up windows and doors.

Move patio furniture, grills, and other loose objects indoors.

Follow the advice of local officials about whether to turn off gas and electricity before leaving.

Stay Safe When You Return

Dangers such as high water, downed power lines and broken gas mains are major safety threats after storms. Wait for public officials to give the all-clear before returning home. Once you're home again, follow these precautions:

Use extreme caution when entering damaged homes or structures.

Beware of unstable trees and limbs.

Downed power lines are a serious electrocution hazard. Never touch downed lines or anything near them, especially water.

Wear sturdy shoes or boots, long pants, long sleeves, and gloves when cleaning up.
