FROM THE PRESIDENT

By Denny Puterbaugh

Winter is knocking on the door and the holiday season is fast approaching but before we begin celebrating Thanksgiving, Christmas and the New Year we must give some thought to our leadership for the coming year. The positions of President, Vice President and four board seats will need to be filled for next year. This month at our membership meeting we will be accepting nominations for the above mentioned positions. Please consider running for one of these seats or consider which other members you would like to see filling one of them. Any member in good standing can nominate any other member in good standing to one of these positions subject to the rules set forth in our Constitution. To be eligible for the Board of Governors the candidate must have been a member of the club for one full year and be in good standing at the time of his nomination. To be eligible for the positions of President and Vice President all of the above rules apply plus each nominee must have completed at least one (1) full term (prior to taking office) which consists of two years as an elected member of the Board of Governors. Nominees must be present to accept or must have submitted a letter of acceptance prior to the nominations.

We are continuing to look for new ideas for club events and activities that are compatible with the Governor's and Health Department's orders. If you have something to contribute see one of the board members, club officers, club secretary, or club manager.

Remember to continue promoting our ballroom facility with your friends and family. Thanks for supporting our club.

FROM THE MANAGER

By Mark Fiske

We are coming to the end of the year and that means holidays, parties, and MAC board nominations and elections. Please remember to join us for the membership meeting this month. As club members, it is your nomination and vote that decides who we have on our Board of Governors. This year we have 4 board chairs, the president, and the vice-president up for nomination and election. Please come and nominate your favorite current board member or someone new if you prefer.

I would also like to remind all members and ladies to be cautious of who is following you into the club. We had an issue last month where 2 ladies who were not with members followed someone into the club. If you do not recognize the person coming in behind you, please question to make sure they are a member or meeting a member. I know the club is big enough that everyone cannot know every face and we have a lot of new members also, but you can always use this as an opportunity to make a new acquaintance. This helps keep all of our club, members, and staff safe from harm.

See you at the Club!

COME OUT TO THE MAC AND ENJOY YOUR CLUB

By Scott Beirise

There are lots of activities at the MAC during the month of November. Here is what's to come:

Come join us on Monday's for banjo practice. Have dinner and listen to the music.

As always, Thursdays are the steak dinner special night including a live band from 7 to 9PM. These bands are always wonderful and I encourage you to come join us for this wonderful evening of music, dancing, and a delicious meal. The full menu is also available.

If you like dancing, but could use a little extra instruction or even a lot of instruction, member Cecil Teague will offer ballroom dance lessons starting Sunday, November 14th at 4:00 PM. Cecil is a great dancer and has 30 years of dance experience and 22 years teaching experience. This is a great opportunity for anyone. Lessons are only \$5 a person. I hope to see you all there.

Bingo will be on the 19th. Bingo always fills the club quickly so please be patient with your servers and kitchen staff on this busy night. Hope to see you all there.

Sunday, Wings and Things will be going strong during whatever football games you wish to watch! This is our Sunday volunteer kitchen. Our volunteer kitchen staff will have a menu of select items for you to order while you enjoy the game. They specialize in wings and make some of the best in town. The kitchen will be staffed from 1pm to 5pm. Please come enjoy cheering on your team and food with all of your MAC friends and family.

CORNHOLE

By Mark Scott

The cornhole sign-up sheet is posted on the bulletin board in the hallway. The teams that played last year will have first rights to play again this year. We will be playing on Tuesday only this year. The early shift will start around 6:30 PM. The second shift will start as soon as the boards are available from the early shift (hopefully by 8:00 PM). This is a new procedure this year, so there will be a little bit of a learning curve. We will start around January 18, 2022.

LADIES' CLUB NEWS

By Jessica Beirise

The Ladies' Club is calling all ladies! We need your help. The Children's Christmas Party is scheduled for December 12th. We have a little over a month to plan and fundraise for this event. We could use any and all ladies' assistance with this. The Ladies' Club will need to create crafts, party plans, activities, and buy and wrap gifts all before the party. We can use help with completing all of these tasks. If you are interested in helping or sharing ideas, please see Jessica Beirise, Nancy August, Janelle Doepel, Rosie Dempsey, or Connie Putterbaugh. It takes a lot of money, planning, and time to make this party spectacular. Please consider lending a hand in any way possible.

The sign-up sheet for the Children's Christmas Party is now out and available for sign-ups. The sooner you get your little ones on the list, the better chance we will have to get their request to Santa. The elves plan to complete orders early in hopes of beating the demand.

As always, all are welcome to join us on Sunday the 21st at 2:30 for our monthly meeting. We will start discussing plans for this year's Children's Christmas Party and fundraisers over the next few weeks to raise money for the party. Hope to see you there.

MEMBER OF THE MONTH

This month we would like to honor member **Richard (Dick) Krug** as our Member of the Month. Dick has been a member since January 16, 1983. Dick was born December 25, 1927, a Christmas baby! He went to Holy Family and graduated from Chaminade in 1947. Dick actually dropped out of high school before his senior year and joined the Navy. He served his country on the USS Iowa which headed to Japan during World War II. When he returned from the war, he went back to Chaminade and graduated with his brother Frank. While at Chaminade Dick played on the football team, which went to the State Finals and played against the team Paul Brown played for. Unfortunately, Chaminade lost that game!

After graduating high school, Dick worked briefly at NCR before joining the fire department. He worked his way up to the rank of Lieutenant and continued to work there until he retired. On his days off he painted and eventually turned that into his own business. He ran his painting business well into his 70's.

Dick has been married to his beautiful wife Gladys for over 40 years and will tell anyone who will listen how lucky he is to have such a wonderful lady as his wife. Dick has 1 daughter Connie and 3 grandchildren, and several great-grandchildren. Dick has always been an avid sportsman, enjoying hunting, fishing, golf, bowling, etc. He also used to have a fantastic garden, and according to his daughter, Connie "he grew the best tasting tomatoes ever!!" Dick and Gladys have been volunteering at the Milton Club for many years. They have participated in helping with many activities and events and Gladys ran the Ladies' Club for many years. She was

instrumental in decorating the club when the ballroom was added originally. You can always catch Dick and Gladys at every Fish Fry and every MAC picnic selling raffle tickets. They sit there the entire day in the hot sun and without complaint.

Dick and Gladys are 2 of the greatest people I have ever had the pleasure of knowing. If you have not had the great fortune to meet Dick or his lovely wife Gladys, please take a few moments to introduce yourself and speak to them for a moment or two. I promise you will not regret it. Congratulations Dick, we all can't wait to see you next time at the club!

Thanksgiving Prayer

Johnny Cash Music and Lyrics by Josef Anderson

*We've come to the time in the
season When family and friends
gather near*

*To offer a prayer of Thanksgiving For
blessings we've known through the
year*

*To join hands and thank the creator
And now when Thanksgiving is due*

*This year when I count my blessings
I'm thanking the Lord He made you*

*This year when I count my blessings
I'm thanking the Lord He made you*

*I'm grateful for the laughter of
children*

The sun and the wind and the rain

The color of blue in your sweet eyes

The sight of a high "ballin" train

The moon rise over a prairie

Old love that you've made new

*This year when I count my blessings
I'm thanking the Lord He made you*

*This year when I count my blessings
I'm thanking the Lord He made you*

*And when the time comes to be
going It won't be in sorrow and tear*

*I'll kiss you goodbye and I'll go on
my way Grateful for all of the years*

I thank for all that you gave me

For teaching me what love can do

*Thanksgiving day for the rest of my
life*

I'm thanking the Lord He made you

*Thanksgiving day for the rest of my
life*

I'm thanking the Lord He made you
