#### **About Great Lakes Bay Animal Society**

Proceeds from this special fundraiser directly benefits Great Lakes Bay Animal Society's mission of providing quality veterinary care for animals in transition to their forever homes. GLBAS is an all-volunteer organization. We rescue abandoned pets out of over-crowded area shelters and foster them in Volunteer Pet Guardian homes. From intake to adoption our rescues' needs are responded to with compassionate foster care, skilled veterinary care, vaccines and are spayed/neutered. Our Foster Families' personal knowledge of our animals enables them to find compatible families, assuring a forever home. Great Lakes Bay Animal Society is a 501(c)(3) Non-Profit Companion Pet Rescue.
