Tests and Assessments

New York State Exams

New York State Exams begin later this month. This year, the New York State Education Department has determined that English Language Arts (ELA) and Mathematics exams for grades 3 through 8, and Science exams for grades 4 and 8, will only be administered in person in your child’s school building. No remote option will be available.

If you would like your child to participate in this year’s State exams, please notify your school. If you do not wish to have your child take State exams, you do not have to take any further action.

The exams will be administered within the following dates:

- English Language Arts (ELA) for grades 3 through 8: April 19–29
- Mathematics for grades 3 through 8: May 3–14. *Testing will not occur on May 13, when schools are closed for Eid Al-Fitr.*
- Science for grades 4 and 8: June 7–11

Your child’s school will be communicating with more details about the testing process and deadlines. Learn more at schools.nyc.gov/testing.
