#### PAST PERFORMANCE

25+ years experience with Energy Fortune 500s  
Top Ranked Economist/Analyst in Natural Gas  
Quoted Subject Matter Expert in Market Reports  
Models Adopted by Major Commercial Vendors

#### NAICS CODES

- 541690 – Other Scientific & Technical Consulting Services (Primary)
- 519290 – Other Information Services

#### PSC CODES

- B529 – Scientific Data Studies
- AG11 – Energy Studies
- R499 – Professional Services
- R408 – Program Mgt Support

#### CORE COMPETENCIES

Natural Gas Supply/Demand Balance Modeling

Comprehensive Energy Research and Analysis:

- Liquefied Natural Gas Exports/Terminals
- Data Center Projects, Sources for Power
- Natural Gas-Fired Electric Generation
- Natural Gas & Oil Drilling and Production
- Natural Gas Pipeline/Expansion Projects

Custom Market Research and Analysis Reports

RawData® Proprietary Pipeline Data Provider
