## President's Message

On behalf of the committee and members I extend a warm welcome all exhibitors, judges and visitors to our Annual show. Again this years, 35<sup>th</sup> Annual Show, has a total cash prize money of \$2310. This prize money, of course, would not be possible without the generosity of our many donors, schedule advertisers and members who give their support.

I would like to congratulate all members of the Orana Avicultural Society, past and present, for their support and generosity over the last 35 years in bringing this club/show to the high standard it is today.

Our major sponsors this year are the Donut King, Orana Mall & Citi Centre Dubbo and I urge all concerned to visit the Mall & Citi Centre to enjoy a coffee and a hot donut whenever you're shopping at both centres.

If you plan on having an overnight stay, may I suggest the Matilda Motor Inn, who, once again have supported our club. You will be in good hands.

We have once again provided the best judges available to adjudicate at this year's show. They have kindly accepted our invitation, and we are most grateful for their time.

They are as follows:

<b>Parrots</b>	Allan storm
<b>Canaries</b>	Steve Edwards
<b>Finches</b>	Geoff Roberts
<b>Zebras</b>	Paul Clarke
<b>Budgerigars</b>	Robert Peffer

Our usual Sunday morning breakfast of bacon & egg rolls will be available for those who wish to partake. Tea and coffee will also be available free to exhibitors until 10am. Morning tea and lunch will be provided at reasonable prices as well as refreshments throughout the day.

**Bird Boxes Galore** are returning again this year to offer their extensive range of bird products at very reasonable prices. If you require a particular product or item, why not give them a ring prior to the show, and I am sure they will do their best to bring it with them.

We will have our bird sales section in operation for those who wish to dispose of their excess stock or to find that elusive outcross you require. **This sale is only an extra in conjunction with our show, for members, exhibitors and judges, due to lack of workers sellers will be required to sell their own birds with \$1.00/per bird levy on all birds entered in the sale, not a sale in its own right.** Raffles will be running throughout the day with many prizes up for grabs.

I wish all exhibitors, judges and visitors a most enjoyable show and thank them for their participation and support. I hope you have a safe and pleasant journey after catching up with old acquaintances and hopefully making new ones.

*Steve Draper*  
PRESIDENT

**Due to the show workload, there will be no late Entries or Reclassing of exhibits, on the day of the show. Closing date for the show is Thurs 30/5/19. Ensure your entries are Classed correctly and double check them with the Entry Secretary when entering exhibits.**

## Standard Varieties

### USE OF THIS STANDARD

1. For describing Standard Varieties.
2. As a guide and reference for breeders and judges.
3. As a guide and reference for exhibitors in ascertaining the classes in which to enter their Exhibits
4. As a guide for compiling show schedules.
5. Combinations of varieties accepted as standard are listed as groups under the primary variety In the combination.  
Such birds are described as.....(primary variety)  
.....(other variety)  
.....(colour)  
EG: Opaline Greywing Yellowface Skyblue

For combinations of more than two varieties to be accepted as standard, every combination of the varieties involved must appear in groups.

## **Do you need more information about your medicines?**

- How often should the dose be taken each day?
- Should any food be avoided?
- Are there any special instructions about taking the medication with food... should it be taken before or after meals?
- Can I take it if I am pregnant or breastfeeding?
- Will alcohol interact with this medication?
- Will this medication interact with any other drug that I am taking? (Remember to ask about medicine that you have bought over the counter as well as medication that your Doctor has prescribed.)
- What side-effects, if any, should I expect?
- Are any special storage conditions necessary?
