THE CREW

JORDAN WIESEN

PRODUCER & PRODUCTION MANAGER

Born and raised in Los Angeles, he was immersed in the world of theater and film. He worked both in front of and behind the camera/curtain. Jordan studied acting at University of Nevada, Las Vegas. Jordan spent 16 years specializing in logistics and operations in the special event and F&B industries in Las Vegas. As an actor, he can currently be seen in Camp Easy's recently released Short Film, "Underneath" (2024).

Born in Upstate New York, Ryan Eicher originally dreamed of becoming a comic book illustrator. It wasn't until a fluke audition led him to starring in his first feature film that he fell in love with the craft of filmmaking. He has now directed, acted in, and produced numerous award winning short films, music videos, web series, and commercials, while also working full time as a freelance camera operator. When he is not creating, Ryan spends most of his time with his wife and two children — the greatest works of art he's ever had a hand in creating.

RYAN EICHER

DIRECTOR OF PHOTOGRAPHY & PRODUCER

THE CREW

VICTOR TAPIA

PRODUCER & MASTER EDITOR

Having 20 plus years in television production, I specialize in live and post-production. Notable achievements include directing award-winning short films and contributing to a feature-length film honored at the Mar del Plata film festival. Additionally, I've produced diverse television programming, ranging from commercials to documentaries.

COLIN HUSE

PRODUCER & MASTER EDITOR

Over the past two decades, I've immersed myself in the dynamic world of Video Production, mastering skills across Field Production, Post Production, and Live TV. Beginning with a focus on editing, I swiftly transitioned to broader production roles, with a special emphasis on Live TV, where I gained invaluable experience and managing the intricacies of real-time broadcasting. Alongside these core competencies, I've also developed proficiency in deployment, troubleshooting, media management, and facility maintenance, ensuring seamless operations and top-notch quality throughout the production pipeline.
