Virtual Instructor Monitoring

Our training center, in accordance with the American Heart Association's guidance, is allowing for virtual monitoring of instructors. Therefore, BLS Training Centers will be offering virtual monitoring sessions to current instructors that require monitoring to renew. In-person monitoring will remain available and free of charge to instructors. There will be a \$75 fee to process virtual monitoring.

Here are some general rules and requirements for:

- Instructors must primarily be aligned with Allied 100
- Instructors must be within 60 days of their expiration date if renewing
- Instructors must possess their own equipment, and have all require items
- Video must be streamed live, times must coordinated with TF
- Video must have clear view of students, instructors and equipment
- Video must include skills testing and written exam
- Video must have sound and video recording available
- Video must be one continuous video
- Paperwork must be submitted at the time of the video submission
- Only one instructor can be monitored for each course
