# AI Wonder World Hackathon:
## Data Detectives Unite!

### Saturday, June 7
### 11:30-2:30 PM | Rinconada Library
**1213 Newell RD. Palo Alto**

**MIDDLE & HIGH SCHOOL STUDENTS**

Calling middle school students! Join Bellatrix Warrior to explore AI through hands-on projects in art, writing, fashion, sustainability, and community service. Work alongside peers with guidance from tech industry mentors and high school leaders.

**No coding experience is needed - Just bring your creativity!**

We recommend bringing your own device due to limited laptop availability. We'll be working in groups of 2—3, so encourage your friends to register too!

Registration required!
