Alternatively, to satisfy the requirements of this Section, a tenant or water account holder for the subject property may establish the subscription account in his or her own name so long as the account remains in good standing. However, a failure by a tenant or water account holder for the subject property to establish a subscription account and to maintain it in good standing shall not relieve any Residential Owner from their obligations hereunder.

- (c) Any resident of the City may store, haul and dispose of his or her own solid waste on his or her land or otherwise, provided that such storage, haulage or disposal is accomplished pursuant to a certificate of exception obtained in compliance with Section 22-27 -3 of the *Code of Alabama* (1975).
- (d) Any household whose sole source of income is social security benefits shall be granted an exemption from the payment of any rates charged for the provision of residential solid waste collection and disposal services, provided that the household seeking to claim the exemption complies with Section 22-27 -3 of the *Code of Alabama* (1975). The exemption shall apply only so long as the household's sole source of income is social security benefits, and said exemption shall be each year in which the exemption is desired. Any resident and/or household who provides false or misleading information in order to obtain said exemption shall be subject to the penalties provided by this Ordinance.
- (e) The Sanitation Manager may decide whether it is feasible to provide service to a household located outside of the City's corporate limits. However, under no circumstance whatsoever shall the City be obligated to provide service to a customer located outside of the City's corporate limits.

Section 4. Optional Service for Commercial Customers.

Except as otherwise required herein, any qualifying Commercial Customer within the corporate limits of the City generating solid wastes may, at its option, participate in and subscribe to the waste collection services operated by the Sanitation Department under the terms and conditions set forth herein. A failure to subscribe to the services offered by the Sanitation Department shall not relieve such Commercial Customer from any of its obligations under law to provide for the orderly care of its premises, to avoid littering, or to eliminate conditions that would otherwise constitute a public nuisance.

Section 5. Administration; Enforcement; General Offenses.

- (a) The Sanitation Manager is assigned the primary responsibility of administration of this Ordinance and, with the assistance of the Cordova Police Department, is granted the authority expressly and impliedly needed and necessary for enforcement.
- (b) It shall be unlawful and an offense against the City for any person to violate any provision of this Ordinance.

- (c) Nothing in this Ordinance shall preclude the Sanitation Manager from seeking voluntary compliance with the provisions of this Ordinance through notices to comply, warnings, or other informal devices designed to achieve compliance in the most efficient and effective manner under the circumstances.
- (d) The Sanitation Department is hereby authorized to promulgate additional rules and regulations concerning solid waste collection service that carry out this Ordinance and do not contradict any of the provisions of this Ordinance.
- (e) Unless deemed necessary by the Mayor to prevent a public nuisance, the Sanitation Department shall not provide services under this Ordinance to any customer who is more than thirty (30) days in arrears on the customer's obligations hereunder.
- (f) All bills for service charges hereunder shall be due and payable monthly. Payment shall not be accepted for less than a whole month. Services received for any portion of the month shall be billed at the established and applicable monthly rate.
- (g) The City shall utilize the Water Works & Gas Board of the City of Cordova for the administration and collection of accounts maintained pursuant to this Ordinance. Charges due pursuant to the terms of this Ordinance shall appear on the monthly utility bill rendered by the Water Works & Gas Board of the City of Cordova.

Section 6. Solid Waste Collection Requirements.

- (a) Solid waste collection for Residential Customers will be collected at the curbside at the time(s) and date(s) scheduled by the Sanitation Department. Residential customers shall be subject to the rate schedule set forth in Section 12.
- (b) Solid waste collection for Commercial Customers will be collected at the time(s) and date(s) scheduled by the Sanitation Department. Commercial customers shall be subject to the rate schedule set forth in Section 13.
- (c) The Sanitation Department shall not pick up any contractor waste, industrial waste, manufacturing waste, or liquid waste. However, the producers and/or owners of these types of wastes must make provision for the timely removal and disposal of the same.
- (d) When a contractor has been or is working for a customer, that customer shall not place or cause to be placed any contractor waste for collection by the Sanitation Department.
- (e) Solid waste shall be placed in an area that is free from hazards to the sanitation workers during the collection process.
- (f) Animals shall be leashed or in a fenced in area so as to prevent harm to employees of the Sanitation Department engaging in the collection of solid wastes pursuant to this Ordinance.

- (g) No hazardous waste shall be collected by the Sanitation Department. All persons are required to dispose of hazardous waste according to all applicable state, federal, and local laws.
- (h) No solid wastes will be collected from a vacant lot. No appliances or furniture shall be left for collection by the Sanitation Department.
- (i) All Residential Customers must keep solid waste contained in Trash Bags placed in Carts meeting the specifications set forth herein.
- (j) All Commercial Customers must keep solid waste contained in Trash Bags placed in containers approved and provided by the Sanitation Department or the Sanitation Department's contractors.
- (k) No person shall place a Cart within a structure, including but not limited to a bin, that requires the Cart to be lifted out of the structure for collection of the solid wastes by the Sanitation Department.
- (l) No Residential Customer shall use a container for the disposal of solid wastes that fails to meet the requirements set forth in the definition of a "Cart."
- (m) No Residential Customer or Commercial Customer shall use a metal or wooden barrel for the disposal of solid wastes.

Section 7. Cart Service.

- (a) Residential customers shall utilize the Sanitation Department's cart service for solid waste collection.
- (b) Except as otherwise provided in this Ordinance, no residential customer shall permit to accumulate upon his premises any solid wastes except in Trash Bags in Carts with lids closed at all times.
- (c) Pickup dates and times shall be determined by the Sanitation Department. Carts shall be placed at the curbside no sooner than the afternoon on the day before the pickup date scheduled by the Sanitation Department or later than 6:00 a.m. on the day of the pickup scheduled by the Sanitation Department. Carts shall be removed from the curbside by 8:00 a.m. on the day following your scheduled pickup.
- (d) All residential customers shall be provided one cart by the Sanitation Department. At their own additional expense, residential customers may pay for one additional Cart (for a total of no more than three Carts) at the rates set forth herein.
- (e) Commercial customers wishing to use cart service may do so at their election, but will pay for cart service based on commercial rates and will also be required to adhere to all provisions of this Ordinance related to the use of cart service.

- (f) Except as otherwise provided in this Ordinance, no solid waste will be collected that is not in a Trash Bag fully contained within a Cart.
- (g) Every person shall dispose of solid waste in a clean and sanitary manner by placing it in Trash Bags before placing the same in a Cart. It is the responsibility of the residential customer to keep solid wastes contained in the Cart.
- (h) No liquid waste shall be placed in a cart.
- (i) When there is any question as to where a cart(s) will be placed for service at the curbside, the Sanitation Manager shall determine the area considered to be the collection point for the location.
- (j) Any residential customer who is disabled to the extent of being incapable of moving a Cart and who obtains a physician's certificate as to this disability shall not be required to place the Cart at curbside. This subsection shall not apply unless all of the persons in a residential unit above the age of twelve (12) are disabled and obtain a physician's certificate. These certificates shall be mailed to the Sanitation Manager for appropriate notification of pickup crews.
- (k) No collection personnel are permitted to enter houses or buildings, garages, fenced areas, carports or porches for collection of solid wastes.
- (l) It shall be unlawful for any person to remove any solid wastes from the curbside after such has been placed for City pickup with the exception of the residential customer or under the orders of the Sanitation Manager or employees of the Sanitation Department.
- (m) It shall be the responsibility of the residential customer to take proper care of the Cart. If the Cart is stolen or damaged from improper use or neglect, it shall be the responsibility of the residential customer to pay for the replacement the Cart. The Sanitation Manager shall have the authority to determine when a cart becomes unserviceable and advise the property owner of the appropriate action needed.

Section 8. Bulk Trash Collection Service

- (a) The City will provide a collection service for residential customers to collect bulk trash. Bulk trash may be placed at curbside for collection no sooner than 6:00 p.m. on the day before the pickup date scheduled by the Sanitation Department and no later than 6:00 a.m. on the day of the pickup scheduled by the Sanitation Department. Pickup dates and times for bulk trash collection service shall be determined by the Sanitation Department.
- (b) This collection method is not available for items of over eight (8) feet in length and/or four (4) inches in diameter.

- (c) Bulk trash collection service for each residential dwelling will be limited to approximately 4 (four) cubic yards per week, approximately 12' long x 3' wide x 3' high. Residential customers can elect to have the Sanitation Department remove bulk trash in excess of 4 (four) cubic yards per week for a charge per half trailer load (said load being roughly equivalent to approximately 10 cubic yards), so long as the residential customer and the Sanitation Department make the needed arrangements and the residential customer pays said charges before the collection. If a residential customer has more than 4 (four) cubic yards of bulk trash per week but does not make such arrangements and election, then it will be the responsibility of the residential customer to properly dispose of bulk trash that is in excess of 4 (four) cubic yards. A residential customer will have 5 (five) calendar days to remove any bulk trash in excess of a (four) cubic yards from the property after being notified to do so by Sanitation Department.
- (d) Loose leaves and grass clippings must be bagged or boxed. Loose leaves and grass clippings shall not be placed in any City of Cordova drainage way or street.

Section 9. Bulk Container Service

- (a) Commercial customers may utilize the Sanitation Department's bulk container service for solid waste collection.
- (b) No commercial customer utilizing bulk container service shall permit to accumulate upon his premises any solid wastes except in bulk containers with lids and doors closed at all times.
- (c) Pickup dates and times for bulk container service shall be determined by the Sanitation Department.
- (d) The commercial customer and the owner of the property on which the bulk container is located (including the owner's agent), shall all be jointly and severally responsible for the implementation of the following rules and regulations related to bulk container service:
 1. Each bulk container must be located at a sufficient distance from the lot line as not to interfere with the safety or health of abutters or residents and situated so as not to obstruct the line of sight of traffic.
 2. The Sanitation Manager may require that the property owner or authorized agent enclose or screen the bulk container site when deemed necessary to ensure proper containment of waste.
 3. The bulk container must be maintained free of odors, scattered debris, overflowing, and all other nuisances.
 4. Each bulk container must be of sufficient size and capacity to eliminate overflowing, and the property owner or authorized agent of the premises utilizing the service must take appropriate action immediately to empty contents when full.
 5. Bulk containers cannot be overfilled.
 6. Bulk container enclosures cannot be used for storage.

7. Bulk container lids and doors must be kept closed.
 8. Styrofoam "peanuts" shall be placed in bags to prevent spillage when the bulk container is emptied.
- (e) The following items cannot be placed in bulk containers, and commercial customers shall be responsible for all damage caused by these items being placed in bulk containers:
1. Large household and industrial appliances;
 2. Furniture;
 3. Construction/demolition debris, including dirt and stones and Contractor Waste;
 4. Hazardous waste; and
 5. Liquid waste, including paint and oil.
- (f) It shall be the responsibility of the commercial customer and/or the owner of the property on which the bulk container is located (including the owner's agent) to control the use of the bulk container.
- (g) It shall be the responsibility of the person(s) using the bulk container to clean and deodorize with sufficient frequency as to prevent objectionable conditions and odors.
- (h) The customer shall provide a service way sufficient to support heavy duty trucks at a weight of up to 40,000 pounds. The City will not send its trucks into areas where there is a danger of bogging or damaging the trucks.
- (i) The City shall not be liable for damage to parking lots or drive isles caused by normal service of commercial trucks.
- (j) The City shall not be liable for damage to improperly installed bulk container enclosures

Section 10. Apartment Complexes and Similar Facilities.

- (a) Owners of residential apartment buildings or a group of residential apartment buildings in the same complex, wherein there are more than seven (7) living units either in a single building or complex treated as a unit, are hereby (i) deemed to be commercial customers (subject to all of the provisions of this Ordinance relating to commercial customers) and (ii) required to install and maintain sufficient service for each of its housing units. The Sanitation Manager shall have the authority to determine the sufficiency of the service for apartments pursuant to this Section.
- (b) Where bulk container service is utilized, the location of required bulk containers shall be so as to permit convenient and safe access by the servicing truck and equipment using all-weather streets or alleys of adequate strength to minimize as far as reasonable permitted excessive walking distances for tenants and occupants; and to be as aesthetically pleasing as the circumstances will reasonably allow, in order to

conveniently permit servicing of such bulk refuse containers. The Sanitation Manager shall determine the location. However, no bulk container or detachable unit shall be stored in front of a business, residence, in front of a building line closest to the street or on a public right-of-way.

Section 11. Dead Animals

Dead animals in the corporate limits of the City, and within the City's rights-of-way, not in excess of fifty (50) pounds in weight will be picked up by the Sanitation Department during normal business hours. All animals above fifty (50) pounds shall be the responsibility of the owner and must be removed and properly disposed of within twelve (12) hours.

Section 12. Residential Fees

(a) The rate schedule for Residential Customers is as follows:

<u>Rate Type</u>	<u>Charge per Household</u>
Regular Rate	\$20.00

(b) For Residential Customers, one additional Cart may be serviced upon request as provided in this Ordinance. There will be a \$10.00 fee per additional Cart added to the customer's utility bill.

Section 13. Commercial Fees

Fees for Commercial Customers shall be as follows:

GENERAL CART SERVICE

Up to 2 Carts	\$ 70.00/Month – Pick up 5 days per week
Each Additional Cart	\$ 35.00/Month

SCHOOL RATE

Bulk Container Service	\$200.00 Month/Bulk Container for one pick up per week
Bulk Container Service	\$75.00 Month/Bulk Container for each additional pick up per week

APARTMENTS

1 Cart	\$11.00/Month/Unit
Bulk Containers	\$10.00/Month/Unit

Section 14. Nuisance Offenses

- (a) Solid waste shall not be placed in any drainage system within the City's corporate limits.
- (b) Contractors are hereby required to remove and properly dispose of any contractor waste.

- (c) It shall be the responsibility of any person contracted to do work within the City to remove all residue and rubbish resulting from said work.
- (d) It shall be unlawful for any person within the corporate limits of the City that is in possession of, in charge of, or in control of any premises to keep or cause to be kept solid wastes in a manner that it is offensive or deleterious to the health or safety of persons, or will become offensive or deleterious to the health or safety of persons.
- (e) It shall be unlawful for any person to illegally dump, or cause to be illegally dumped, any solid wastes upon any property within the corporate limits of the City.
- (f) It shall be unlawful for any person to deposit any solid waste, bulk trash, hazardous waste, contractor waste, construction debris, furniture, appliances, litter, liquid waste, garbage, rubbish, or refuse into or on a public street, alley, sidewalk, right -of-way, park, or the property of another person without permission from the owner of the property to do so.
- (g) It shall be unlawful for any person to transport, haul, or carry solid waste or bulk trash through the streets, alleys, or public places within the City without having the vehicle or container in which the same is to be transported, hauled, or carried adequately secured and covered in a manner to prevent scattering or dispersion of the contents.

Section 15. Penalty for violations

(a) Any violation of Sections 3 or 6 of this Ordinance or any rule or regulation made pursuant to Section 5(d) of this Ordinance shall be a misdemeanor and, upon conviction, shall result in a fine of not less than fifty dollars (\$50.00) nor more than two hundred dollars (\$200.00). If said violation is a continuing one, each day's violation shall constitute a separate offence and shall be punished accordingly. Any resident granted a Certificate of Exception under this Ordinance who fails to carry out or comply with the provisions of Section 22-27 -3 of the Code of Alabama (1975) shall be guilty of a misdemeanor and shall be punished as provided by this Section 15(a). Any person who has not been granted a Certificate of Exception under this Ordinance that receives residential solid waste collection and disposal services from the Sanitation Department and fails to pay for said services shall be guilty of a misdemeanor and shall be punished as provided by this Section 15(a).

(b) Notwithstanding Section 15(a), any person convicted of a violation under any Section of this Ordinance other than Sections 3 or 6 of this Ordinance or any rule or regulation made pursuant to Section 5(d) of this Ordinance shall be punished by a fine of not less than one dollar nor more than \$500.00, or by imprisonment for a period not exceeding six months, or by any combination thereof. With respect to violations of this Ordinance (other than under Sections 3 or 6 or any rule or regulation made pursuant to Section 5(d)) that are continuous with respect to time, each day shall constitute a separate offense. With respect to violations of this Ordinance (other than under Sections 3 or 6 or any rule or regulation made pursuant to Section 5(d)) that are not continuous as to time, each act constitutes a separate offense.

(c) The City's law enforcement officers are authorized to issue a summons and complaint to any person charged with violating this Ordinance in lieu of placing such persons under custodial arrest.

Section 16. Ordinance No. 002-2018 is hereby repealed because their effect is amended and/or replaced by the enactment of this Ordinance.

Section 17. This Ordinance shall become effective on October 1, 2018

Section 18. The sections, paragraphs, sentences, clauses and phrases of this Ordinance are severable, and if any phrase, clause, sentence, paragraph and/or section of this Ordinance shall be declared unconstitutional by a court of competent jurisdiction, then such ruling shall not affect any other section, paragraph, sentence, clause and/or phrase, since the same would have been enacted by the City Council of the City of Cordova, Alabama without the incorporation of such section, paragraph, sentence, clause and/or phrase.

ADOPTED AND APPROVED THIS THE 9 DAY OF September 2025.
