10:00 o'clock, a.m.

The City Commission of the City of Cordova, Alabama, met in regular session at 10:00 o'clock, a.m., August 13, 1985, at the City Hall. Upon roll call the following members were present:

Neal V. Stone, Mayor
Wm. Paul Meserole, Commissioner
C. H. Kuykendall, Commissioner

Absent: None.

The Mayor declared a quorum present and the meeting open for the transaction of business.

Mayor Stone welcomed the visitors to the meeting.

Twila D. Pastore ^{mmk} and ~~Vince Mazzara~~ met with the City Commission to discuss matter of trash collection and removal at the Warrior River Apartments. Ms. Pastore read a letter addressed to Mayor Stone, as follows:

Dear Sir:

I know you are aware of the problem with trash collection and removal at the Warrior River property. None of the ideas from our previous discussions have proven effective in our attempts to gain resident support and cooperation. Some of our previous methods worked for a short time, nothing we have tried really solved the problem.

I feel the only option available to us now is for the City to contract Dixie Waste Disposal to pick up the garbage there. Dixie Waste can provide the dumpster containers that should prove more effective in our collection effort. Of course, Warrior River Apartments would continue to pay the established collection rate to the city for this service.

I have contacted Dixie Waste for their current prices. Each container with four (4) cubic yard capacity costs \$50.10 per month. Currently, it would take 3 containers of that size to service Warrior River Apartments.

This solution could prove more cost effective to the City of Cordova, while better serve the citizens of Warrior River Apartments. I will appreciate the council's consideration and approval in this matter.

Sincerely,
WARRIOR RIVER APARTMENTS
by

Twila D. Pastore
Resident Manager
