

Gary Gregory

Author & Speaker

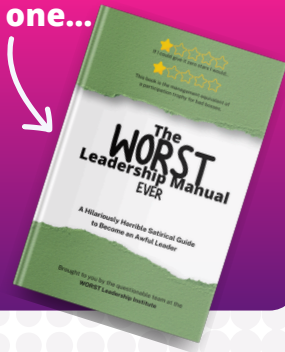

"**Not Normal**, and assured to leave a lasting positive impact on your audience. This is not your typical event - it's transformative."

Gary unlocks the **SUPER** power that lies within you, providing transformational experiences, tools, and insight to help you create the **FANTASTIC** around you. It's time to break free from the normal and achieve the "Not Normal"!

- Husband & Father.
- Two time best selling author.
- Leadership roles for over 20 years.
- Former sponsored triathlete, Ironman, ultra-marathoner.

It's the weird one...

Unleash Your Leadership SUPERFANTASTIC: Go beyond the average manager. Equip yourself with the tools and strategies to become a leader who inspires and empowers your team in extraordinary ways.

Goal Setting Potential: Forget the typical "New Year, New Me" goals. This framework will guide you to set and achieve ambitious goals, both personal and professional, propelling you to success that's anything but normal.

Appreciation Revolution: Ditch the mundane "good job." Discover the power of genuine recognition and build a culture of gratitude that ignites morale, employee engagement, and skyrockets productivity to unprecedented levels.

Don't settle for **normal**. Schedule a consultation today and let's unleash the "**not normal**" together!
