

Family Fun Days at Medina Portsmouth – Easter 2022

On Thursday 14th April, CM Foundation and CM Sports delivered their third family fun day event for adults and children aged 0 to 12 years. Our programme was designed to support families to experience fun events with enriching activities which support the development of resilience, character and wellbeing along with an educational value for the whole family. At our family fun day, we have incorporated physical activities, health eating and fun experiences to support children which also gives them the opportunity to spend time quality time with adults in the family in a fun, social environment with a hot meal included, will allow the whole family a chance to have a great time before they go back to school. As part of the HAF project, the families were able to access signposting information about organisations locally to for the whole family.

Some of the Feedback from the families:

Nitee – “It has been a great day. My daughter really enjoyed the activities. It was great to see her happy. Lunch services was good too.”

Dena – “Fantastic activities. Children love it and especially the crafts. Thank you for today.”

Kerry – “Loads of fun activities. Kids really enjoyed themselves. Amazing day – thank you!”

Henrietta – “My day was lovely. The weather favoured us and there was so much fun stuff to do both indoors and outdoors for us, the kids and parents. The team were helpful.”

Lelanea – “We had a really great day. The staff were very attentive. My 2 year old and 4 year old had fun.”

Vicky – “The Kids enjoyed the day”
