

HOW TO DO VIRTUAL NETWORKING BETTER

Virtual Networking Guide

1. Presentation ready
 - Know what you are going to say
 - Have slides ready to go or any information Infront of you
 - Do not always talk about the same thing
 - Do not forget your talking about your business
2. Who are you going to be on the lookout for
 - Who is going to be the person you want to help
 - Have an idea in mind about one person that you would like to get to know
 - Listen to others presentations and learn about them
3. Be ready for the final thoughts
 - Keep it under 30 seconds
 - Do not repeat your 60 second's intro
 - Ask for a one on one
 - You know people others do not
(reminder have your info card ready)

**“If your nervous talking to others
find someone to be your voice”**
