## Attention Team Captains!

If you are putting a league team together here's what you need to do...

1. Make sure your team consists of a minimum of 50% Coronado residents.
2. Make sure all players are current CTA members.
3. Fill out Court Use Application and put in CTA drawer in Coronado Tennis Center Office or email completed form to [coronadotennisassociation@gmail.com](mailto:coronadotennisassociation@gmail.com).
4. Wait for a team approval email from the CTA with court assignments. Please be aware you are not guaranteed Coronado courts until you get confirmation.
