

## **CTA Financial Support**

### **High School JV Coach**

The CTA supports the CHS Boys JV Coach salary that is not covered by the school.

### **High School Tennis Senior Awards**

The CTA provides a financial award for a CHS senior boys tennis player and a CHS senior girls tennis player. The players are chosen by the Varsity coaches.

### **CTA Junior Tennis Support Program**

The CTA will support local children to attend the City Recreation Dept tennis programs after the parent has submitted an application and the Board has voted to accept each child into the program due to the family's financial need. The classes are paid to the City of Coronado directly and renewed on a monthly basis as per the Recreation Brochure. Regular attendance and proper attitude and behavior are required to remain in the program. Each child may be limited to a finite amount of support per year and the total annual amount budgeted for the program is determined by the CTA Board of Directors. These amounts may be increased with donations. The goal is to allow local children to participate in tennis programs that the family could otherwise not afford. This could be for both an introduction to tennis and the development of promising juniors.

### **Military Kids Clinic**

The CTA offers a summer kids clinic, free to participants that are children of enlisted military families living in Coronado and Silver Strand housing.

### **Monthly Mixer**

Pay a tennis pro to run the mixer and supply balls, food and prizes.

### **Men's ladder**

Supply funds for drinks and snacks.

### **Holiday Party**

Supply funds for food, drinks, venue and entertainment.

### **Other Events**

Supply funds for food, drinks, prizes and tennis pro to run the event.
