Swine Tags Due to your FFA Advisor or County Agent by September 19th, 2025

*****Any swine tags ordered after the 19th are first come first serve and will be \$32****

Please keep in mind that this year's validation date for swine are as follow:

Saturday, November 15th 2025, from 8:00-11:00 AM

Moonday, November 17h 2025, from 5:00-6:00 PM

******YOU WILL NEED A TAG FOR EVERY Swine, INCLUDING BREEDING GILTS******

****Purebred Gilts for Major Shows must have original paperwork, and must be in the exhibitor's name prior to validation. You must bring these papers to validation with you or we will not validate them as a purebred. ****

Also, please remember that during validation, we will not be able to validate swine that are in trailers, cages, or boxes that are not accessible. For example, if you bring your swine in a goat cage in the back of your truck, in a small trailer that we can't walk in, or in a dog carrier. These are just a few examples of ways we will not be able to validate your swine.
