Swine Tags Due to your FFA Advisor or County Agent by September 18th, 2024

*****Any swine tags ordered after the 18th are first come first serve and will be \$20****

Please keep in mind that this year's validation date for swine are as follow:

Saturday, November 16th 2024 from 8:00-11:00 AM

Moonday, November 18th 2024 from 5:00-6:00 PM

******YOU WILL NEED A TAG FOR EVERY Swine, INCLUDING BREEDING GILTS******

****Purebred Gilts for Major Shows must have original paperwork, and must be in the exhibitor's name prior to validation. You must bring these papers to validation with you or we will not validate them as a purebred. ****

Also, please remember at validation we will not be able to validate swine that are in trailers, cages, or boxes that are not accessible. For example, if you bring your swine in a goat cage in the back of your truck, in a small trailer that we can't walk in, or in a dog carrier. These are just a few examples of ways we will not be able to validate your swine.
