Phenomenal J's LLC is a premier mobile service provider specializing in workplace drug screening, courier and express delivery, and notary public services. As a certified DBE and MWBE business based in Massachusetts, we bring essential on-the-go solutions directly to our clients, ensuring convenience, compliance, and efficiency across all our service areas. Phenomenal J's LLC is dedicated to supporting businesses with essential mobile services. Based in Springfield, Massachusetts, we combine industry expertise with a commitment to reliability and professionalism. Our company was founded with a deep understanding of the challenges businesses face in maintaining compliance and operational efficiency. By bringing our services directly to clients, we eliminate downtime and simplify essential business processes.

Core Competencies

Mobile Workplace Drug Screening

- On-site drug and alcohol screening
- DOT and non-DOT screening compliance
- Rapid results and secure reporting
- Pre-employment, random, and post-accident screening

Courier & Express Delivery

- Same-day and expedited delivery options
- Secure transport of sensitive materials
- Time-sensitive logistics solutions
- Professional handling for legal, medical, and business needs

Mobile Notary Public Services

- On-demand notarization at your location
- Certified and insured notary professionals
- Loan signings, affidavits, and power of attorney documents
- DOT document notarization for commercial drivers

Mobile Drug Screening Services

Time-Efficient Screening

On-site screening eliminates travel time and reduces employee downtime, keeping your business running efficiently while meeting compliance requirements.

Complete Compliance

Our comprehensive screening protocols meet all DOT and non-DOT requirements, providing thorough documentation for regulatory compliance.

Privacy and Confidentiality

We maintain strict confidentiality protocols, ensuring that all screening processes and results are handled with absolute discretion and security.

Differentiators

Firsthand Industry Knowledge

With direct experience in CDL drug screening, transportation, and document notarization, we truly understand your compliance needs from an insider's perspective.

Mobile Convenience

Our services come to you, eliminating travel time and workplace disruption while maintaining professional standards and regulatory compliance.

Compliance-Focused Approach

We help businesses maintain a drug-free workplace and adhere to industry regulations with thorough documentation and secure processes.

Performances & Client Success

U.S. Pack Script

Provides reliable courier services for the pickup and transport of animal specimens to laboratories for testing, ensuring secure and timely delivery with complete chain of custody documentation.

SDS-RX

Facilitates the pickup and drop-off of prescription medications to assisted living facilities, ensuring prompt and secure delivery to support patient care with temperature-controlled transport and verified delivery confirmation.

Delivery Solutions LLC

Handles the pickup and delivery of medical supplies, IT equipment, paychecks, and specimens. Additionally, provides clearance services for deliveries into airports and military bases, ensuring strict adherence to security protocols and maintaining the integrity of operations in these high-security environments.
