## HOW WE WORK

### Company Overview

Rokx Services is a certified woman- and minority-owned general contracting company providing high-quality construction and clean energy solutions across Massachusetts. We specialize in residential, commercial, and government projects, with a strong focus on safety, compliance, and reliable service.

### Differentiators

- Woman-Owned & Bilingual Team – Diverse leadership with clear, inclusive communication.
- Fully Licensed & Certified (WBE, MBE, DBE) – Qualified for government and commercial contracts.
- Streamlined Project Management – Efficient, on-time, and on-budget delivery using professional tools.
- Trusted Network of Experts – Access to skilled engineers, architects, adjusters, and trades.
- Transparent & Reliable – Honest, straightforward service focused on long-term client relationships.
