WHAT WE DO

Innovate

We reject one-size-fits-all approaches, offering creative, tailored strategies for each client.

Collaborate

We work side-by-side with clients to co-create actionable strategies that deliver measurable results.

We are the **future** of your business Core Competencies

Remy Consulting Groupe LLC, founded in 2020 by Stephanie and Isaac, is a consulting firm with 25+ years of combined experience. We provide strategic solutions in:

- **Operations:** Process improvement & planning
- **HR:** Policy, compliance & employee relations
- **Recruiting:** Full-cycle hiring & onboarding
- **Training:** Custom programs & leadership development
- **Marketing:** Branding & digital campaigns
- **Project Management:** Lifecycle oversight & risk control

Past Performances

- **LipLustre** (Vegan Lipstick Brand): Supported branding, promotional events, giveaways, and marketing at pop-ups. Generated over \$4K+ in new revenue from launch.
- **MBTA** - OCC Dispatchers Training: Supported the development of MBTA OCC Dispatcher training program

Differentiators

1. **Cross-Functional Expertise:** Our holistic approach integrates operations, HR, recruiting, marketing, and project management.
2. **Boutique Firm, Big Impact:** We combine the agility and personal attention of a boutique firm with the capabilities of a large consultancy.
3. **Proven Track Record:** With a solid foundation since 2020 and over 25 years of combined experience, we have a history of helping organizations grow and succeed.
4. **Forward-Thinking Approach:** We proactively anticipate challenges and craft strategies that support long-term resilience and growth.
