[www.domitek.net](http://www.domitek.net)

Founded in 2004, Domitek, Inc. is a Managed Security Service Provider (MSSP) with a division that offers **best in class physical security integrations**. Domitek is headquartered in Worcester Massachusetts, serving businesses from 5 to 200+ employees in New England. As a certified Disadvantaged Business Enterprise (DBE) and Minority Business Enterprise (MBE) in MA, we pride ourselves on delivering unique proprietary solutions which enable our business clients to focus on what they do best.

We provide **affordable solutions that emphasize quality, security, and scalability**. This ensures our clients have responsive and reliable IT support throughout their business cycle regardless of their business vertical (public, private or non-profit). As a technology and security solutions provider, we understand you need an affordable yet robust technology infrastructure that provides you with the tools needed to set your business up for success.
