

Providing Solutions to Help Business Grow

We believe we can provide advanced solutions that help businesses and individuals succeed in today's ever-changing world. Our solutions are designed to make work easier, more efficient, and more productive.

WHO WE ARE

Benchmark Office Systems is a women-owned business serving New Hampshire, Massachusetts, and beyond. For 24 years, we've delivered top-tier Xerox equipment and innovative software to help businesses streamline workflows, boost productivity, and reduce costs.

Our personalized, proactive service includes live troubleshooting, on-site visits, and automatic supply replenishment. As a local business, we're committed to sustainability and providing tailored solutions to meet your unique needs.

WHY CHOOSE US

Office Equipment

Our award-winning Xerox printers, copiers, and scanners are just the beginning! Pair them with our cutting-edge software to automate and streamline your office, making operations effortless. Empower your business with tools for the future.

Managed Print Service

Our automated software ensures toner arrives before you need it, saving money, boosting productivity, enhancing security, and promoting sustainability to keep your office running smoothly.

Expert Local Service

Service is just a call away! From live troubleshooting to on-site technician visits, we're committed to minimizing downtime with fast, friendly, and effective support.
