Mr. Brad Rasmussen

The Lakeport Police Officers' Association is pleased to endorse you for County of Lake District 4 Supervisor. We know you will leverage your 35-plus years of law enforcement and 14 years of executive leadership as Chief to improve the lives of the many District 4 residents. We are proud to endorse a candidate with a proven track record of promoting public safety. The association is confident you will continue to utilize a multi-disciplinary and inclusive approach to solve the problems facing the District and County of Lake. While we are saddened to see your time in Law Enforcement come to a close, we are pleased to offer our endorsement and look forward to watching you serve the people of the City of Lakeport, District 4, and County of Lake for many years to come!

Sincerely,

Todd Freitas
