Growing In Christ

Non-Believer	New Believer	Established Christian	Growing Disciple	Discipler
Focus Is On Self Reliance	Focus Is On Getting Answers To Questions	Focus Is On Learning - Head Knowledge	Focus Is On A Deep Meaningful Relationship With God – Heart Knowledge	Focus Is On Pouring Self Into Others
Tends to Be Distrusting Of The Church	Everything Seems New	Relationship With God Tends To Revolve Around Church Activities	Developing A Complete Commitment To Christ	Experiencing The Joy Of Seeing Others Growing In Christ
Has Not Experienced The Exhilaration Of Spiritual Re-Birth	Excitement Outweighs Knowledge	Many Tend To Get Comfortable And Never Grow Beyond This Point	Personal Comfort Becoming Less Important	Serving Christ Becoming Paramount In Their Lives
Greatest Need Is To Be Born Again In Christ	Greatest Need Is To Be Established In Christ And To Make The Corresponding Profession Of Faith	Greatest Need Is To Desire A Deeper More Meaningful Relationship With God	Greatest Need Is The Desire For Others To Experience What They Have	Greatest Need Is For Teachable People

Making Disciples Who Are... is designed to be about a year in duration. During this year you should plan on meeting together every week or so, and covering all 3 books. Homework will be assigned for completion between lessons.

Each week you will need a Bible, preferably a contemporary translation. If you do not have a Bible, let the person sharing this with you know.

Bring your Bible and a pen with you to the first meeting.
