NEW/UPDATED

[Gary] I am happy to report that my brother and friend Charlie P has come through his surgery successfully and that he is recovering well and resting comfortably. Thank you all for praying!

ON-GOING

[Betty Ann] Darlene Reinhard passed away late last night or early this morning from a heart attack. Please pray for Walter Kalinowski, and Mark (Darlene's husband) and their two boys and Cheryl, (Darlene's older sister) and her family. Also pray for the entire Kalinowski family. It is a shock to everyone. Darlene was only 68 years old. (5/4)

[Betty Ann] Helen D is in the hospital with pneumonia. (5/2)

[Gary] Vickie T's husband Ron is experiencing health issues, possibly cancer. (5/2)

[Betty Ann] George Riddell Jr is stepping down from the ministry because of health issues. He has Melanoma of the neck and shoulder. Pray for a good spiritual man to take his place. (4/28)

[Betty Ann] Frankie will be having his 4th chemotherapy treatment on Friday. Also pray for a procedure that he will have done on June 7th to remove kidney stones. (4/28)

[Betty Ann] Gilda I is downsizing. Pray for the selling of her house and pray she will find a place to live. (4/28)

[Betty Ann] Sam D may be coming home next week. He is walking with assistance and doing much better. Please continue to pray for strength. (4/28)

[Betty Ann] Please pray for Kim, Billy, Paul, Maribel, Marilyn, Dan, and Dottie for health. (4/28)

[Betty Ann] Pray for Kyle & Amy Grimes that the selling of their house in Montana will go smoothly. They hit a couple snags with the people who bought their home. (4/28)

[Sandy] Please continue to pray for my dad. He's a little better but still weak and now must go for his 2nd covid vaccine. Also please pray for my niece Ally - she is pregnant and at high risk due to blood pressure. (4/27)

[Gary] Tom, the husband of a work associate, continues to lose weight and decline. Please pray that he will feel inclined to listen to one of Pastor's salvation messages and say "YES" to Jesus. Debi also, as far as I know, needs to get saved. (4/27)

[Diane C] I'm asking for prayers for April. She is having her tonsils out on Tuesday. She's had chronic infections over the past year that have been debilitating. We are praying also for a quick and easy recovery; we are told it can be a long recovery in some cases. (4/25)

[Gary] Please pray for my best friend Dan's mother-in-law as she had a bad fall recently and may be on her way to a permanent stay in a senior care facility. Dan and Amanda would greatly appreciate your prayers. She is saved as far as we know, so prayer for healing is asked for. (4/25)

[Kim O] Dayna (friend) is fighting COVID-19 while going through cancer. Please pray for healing and salvation. (4/25)

[Ben] A man I work with is asking prayer for his brother, Patrick, who has brain cancer. I don't think that he is saved, so please pray for healing and salvation for him. (4/23)

[Kim A] I believe that me and Billy have sarcoidosis. They found a nodule in my lung and I was so happy, as I need a biopsy to confirm the presence of sarcoidosis granuloma. The Dr.s said the nodule is too small to biopsy, too much risk involved. I have been having elisions in my mouth. I am going to see a Mayo facial Dr. May 14 th. I need to have these lesions for a biopsy. They come and go. So I have to wait. Please pray that they are there at the right time for the Dr. to biopsy it. (4/23)

[Tim] Tim's boss James (tree accident) is home from the hospital but has a long recovery ahead of him. Please pray for James's recovery and for his family as well. James and his wife have three small children. Pray also for his business while he is incapacitated. (4/18)

[Phyllis] Ken S. is starting chemo treatment today for stage 4 lung cancer. Ken and Mary attended Calvary many years ago. (4/6)

[Gary] A high school buddy of mine [Mark] is having a doctor consult and chemo treatment this week and needs prayer. (4/7)

[Betty Ann] Pray for Nathaniel who is in the Marines. Pray for him and all our military. (3/31)
