

HireUps

Serving Business Executives

You:

- Want to stand out.
- Haven't job searched in a while.
- Could use help with modernizing your resume and LinkedIn profile.
- Need advice from someone you trust.

We can help.

Hire Ups is a program for business executives seeking readiness for their next steps.

We offer resources that help you best prepare for your transition. From resume review to interview coaching, we have the tools to help you position yourself for success.

What Clients Are Saying

"Katie has been a great resource for advice. She has helped me with my resume and LinkedIn profile which increased my profile views and really helped me continue to develop and showcase my personal brand."

*- Chief Operating Officer Executive,
Sacramento*

"She took the time to get to know me both personally and professionally in order to understand what I was looking for career-wise. She was paramount in helping me join the company I am with today, and I could not be happier."

- Finance Executive, San Francisco

“ Strategy is about setting yourself apart from the competition. - Michael Porter ”
