# How to find a job without looking for one ?

A straight forward solution that you can use  
and implement in the next 5 minutes

---

Rekruted

**Are you tired of  
filling job  
applications ?**

Rekruted

**Or you simply don't  
have the time and  
energy to apply or  
search for a job**

–  
Here is how you can achieve  
the following **without**  
**spending a minute in front of**  
**the computer**

- **1. Apply to all the jobs relevant to you daily**
- 2. Fill all applications within 24 hours of them being posted**
- 3. Fill them with high quality**

All this can be done **without you spending a single minute**

## Meet Mr. Rekruted

Your personal assistant whose sole mission is to read Job Descriptions, filter openings, fill forms and apply for jobs **every day** across the internet.
