Dear Prospective Donors/Sponsors,

Pretty Girlz Rock, Inc. is a 501(c)(3) organization that began in 2009 out of a sincere desire to help young girls, specifically ages 11-18, realize that they are powerful and beautiful human beings. Despite any of their personal issues or hardships that they may have experienced, we want to provide comfort to these young girls by showing them we care and want to see them succeed. Pretty Girlz Rock thrives to enrich and educate our program members by partnering with the community, local churches, and fellow mentors to empower our girls to build self-esteem, self-awareness, and overall connect with other young girls their age who can empathize with their struggles.

We hope that we can count on you to help us in providing support, mentorship, leadership, and positive community-related intervention for young girls affected by the pressures of being a teenager, environmental differences, abuse, or other hardships that challenge their advancement.
