## EXPERIENCE

2021 - Present

### Rooms To Go

QC & Image Admin

Trained new hires and contract employees on job duties and procedures. Developed tools, verbal scripts, and documents to assist in communicating and understanding live product display and image distribution. Reviewed and prepped 3D rendered assets for import to a private Data Asset Management system for distribution to their live systems.

2021 - 2021

### Insight Global

Contract Graphic Designer for RTG & QC

Trained new hires and contract employees on job duties and procedures. Reviewed and prepped 3D rendered assets for import to a private Data Asset Management system for distribution to their live systems.

2012 - 2016

### US Army

35G- Geospatial Imagery Analyst/Support

Prepared routine and special reports in compliance with job guidelines. Translated visual information from satellite images into special slides for daily reports to command team.
