

Hosparus Quilts

These quilts go to adults who are at the end of life. Most of them are used as a lap blanket, so they are usually about 3' x 4' or 4' x 5'. They should be clean, in new condition and from a non-smoking environment. They should be scent free and free from pet hairs. They may be any design that you want.

You can contact me at jrhayes@bellsouth.net, if you complete any quilts and we can make arrangements for me to get them.
