# MEET YOUR SPEAKER, CONSULTANT, AND COACH

As an inspirational speaker, literacy consultant, and certified John Maxwell speaker, trainer, and coach, I help school leaders and secondary educators transform literacy outcomes and empower every student to thrive.

With over 30 years of experience, and as a true practitioner and teacher at heart, I blend compelling classroom stories with research-based strategies grounded in the Science of Reading. From designing effective MTSS frameworks to building staff capacity, I equip educators to lead lasting change and inspire belief in what's possible—for every teacher, every leader, and every reader.
