Subject: 2023 Mercer County Republican Capital Club Membership and Donations May 2023

Dear Fellow Republicans:

2023 is a critical year in New Jersey and Mercer County with the entire State Senate and Assembly up for election. The Mercer County Democrat Clerk made an uncoordinated, unprecedented and unwarranted last-minute change to the 2022 ballot which resulted in rendering every single Mercer County Voting Machine inoperable on General Election Day November 8, 2022. Consequently, the posted results were open to manipulation and thus highly questionable if not invalid. It's a day that should live in infamy in Mercer County and New Jersey! We must ensure that doesn't happen again through vigilance and an overwhelming Republican turnout in future elections.

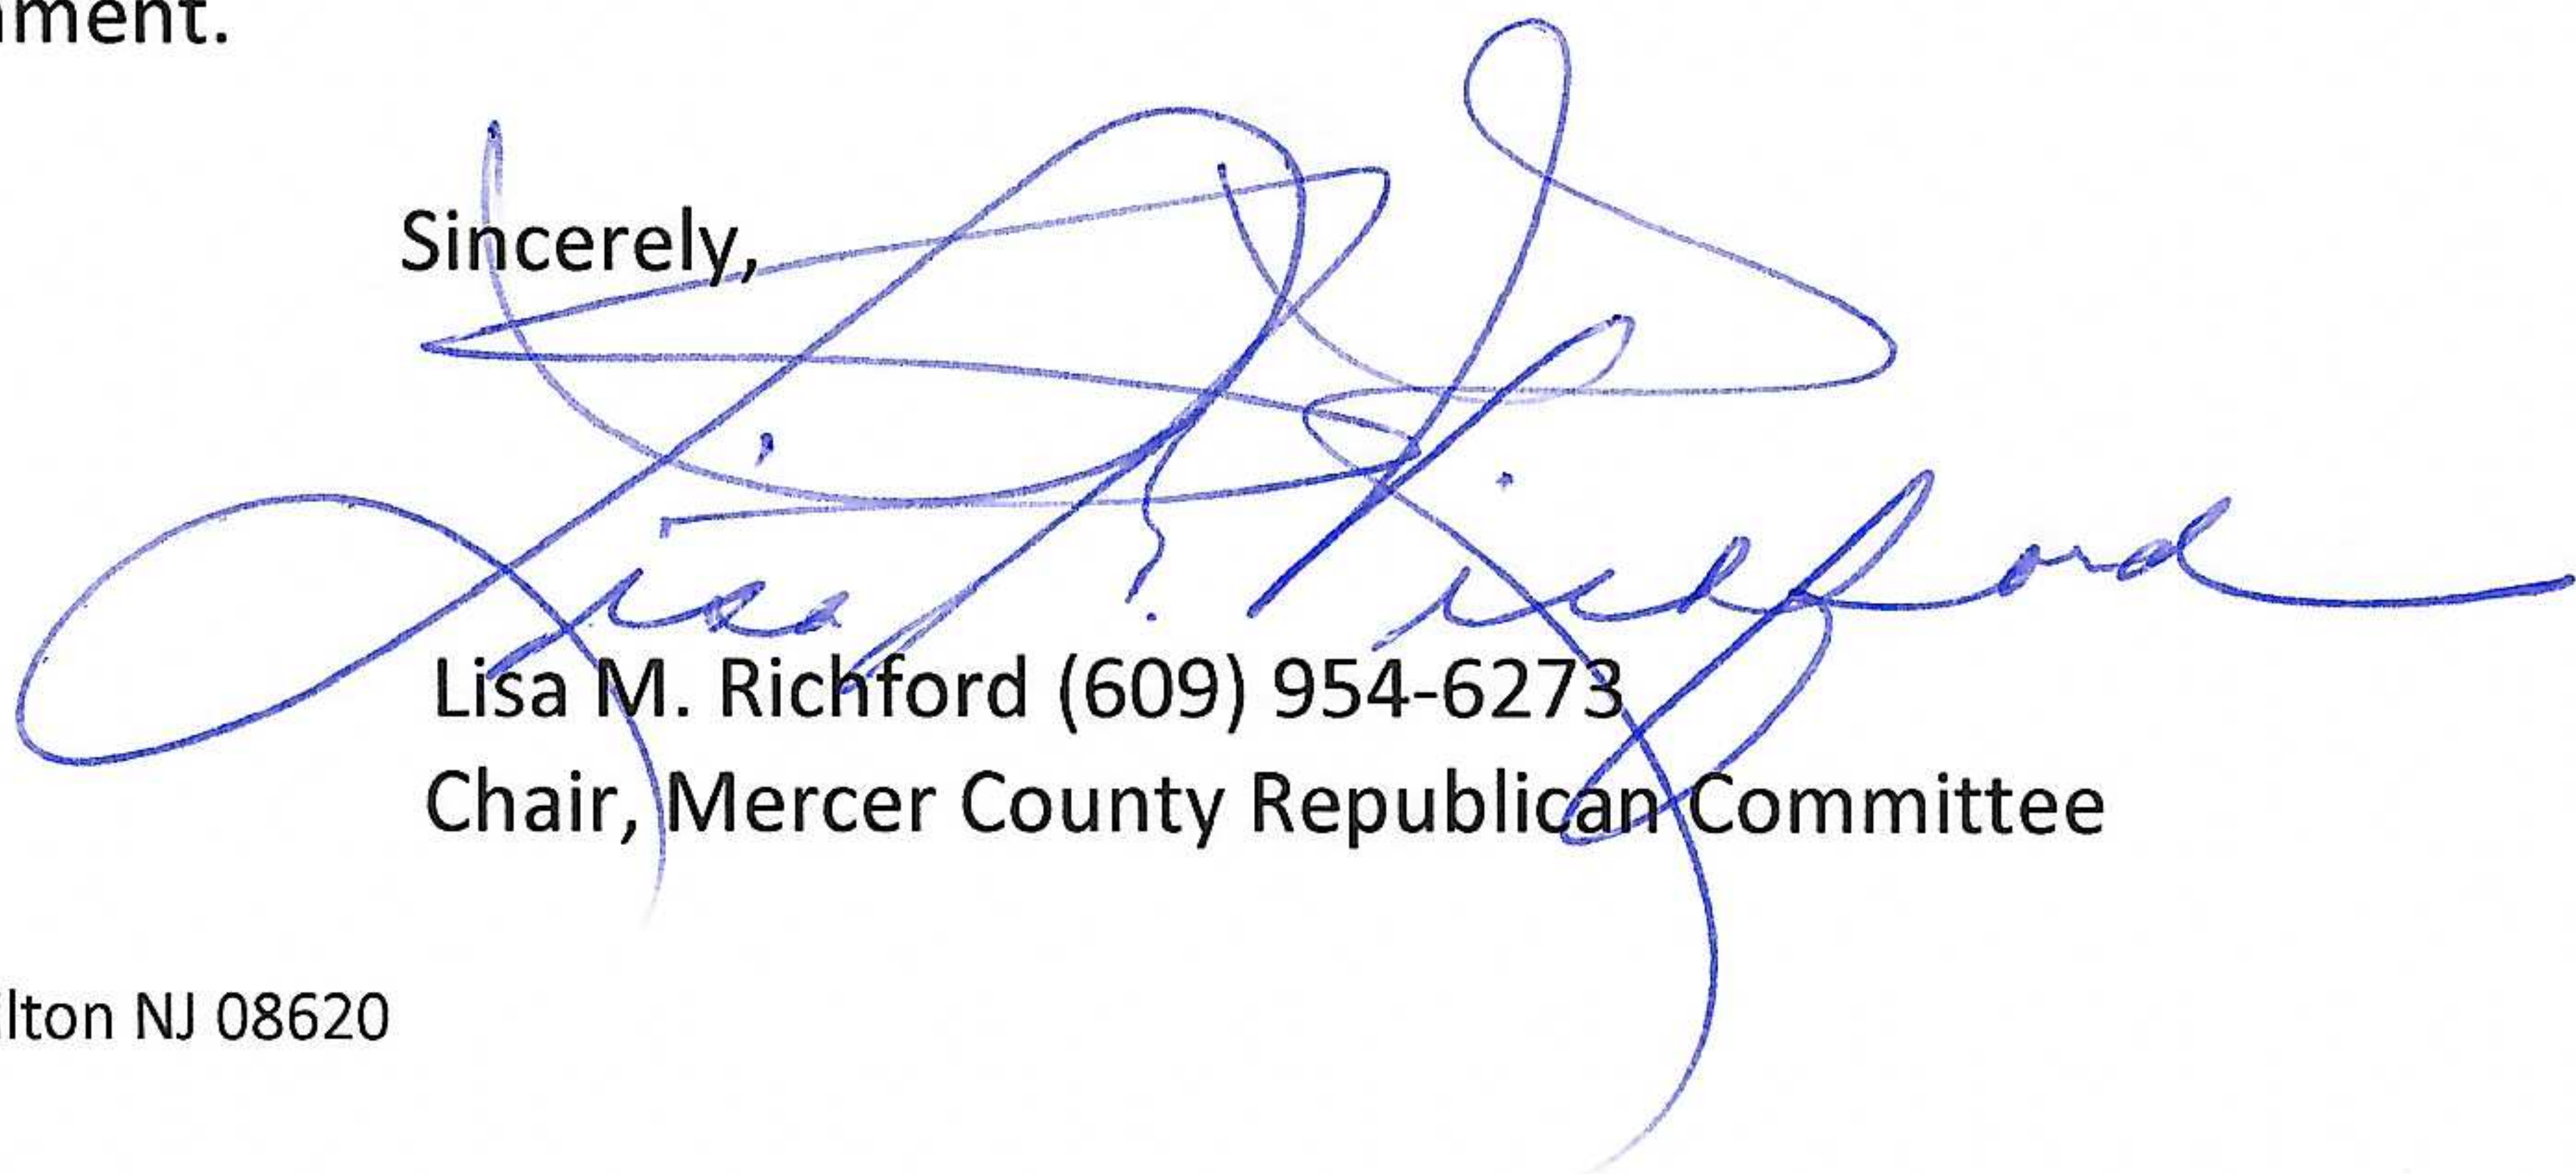

I am writing to ask that you support the Mercer County Republican team that is committed to electing Republicans to office. You can become involved in that effort by joining the Capital Club or making a donation.

I have been gratified to see the outpouring of support from all corners of the County and the State. If you are a Mercer County Republican Committee person, I am asking each Committee person to make an additional donation of \$100.00 or whatever you can to the Club. Through your investment, you will become an even more valuable member of the team. No amount is too small in these unique times. As a member, you will receive invitations to Capital Club events that will allow you to interact with County, State and Federal political leaders. Your membership will also help fund County Republican Committee operations and support campaigns throughout Mercer County.

In closing, I ask that you support the Mercer County Republican Party by joining, renewing your membership or making a donation to the Mercer County Republican Capital Club. The appropriate form is attached. Please make your check payable to "Mercer County Republican Capital Club" and return to: Mercer County Republican Capital Club, P.O. Box 10535, Hamilton, NJ 08650.

Thank you for your time, consideration and support of the MCRC and I look forward to working with you to elect Republicans to all levels of government.

Sincerely,

Lisa M. Richford (609) 954-6273
Chair, Mercer County Republican Committee
