

CF VIPERS

Dear Sponsor,

The CF Vipers travel baseball Organization depends on sponsors like you! Sponsorship comes with many benefits and advertising opportunities. We are a nonprofit baseball team that does not receive any governmental or grant assistance and our only source of revenue is through donations received from generous individuals and businesses like yours. Our program is led by a wonderful group of volunteer coaches and comprised of dedicated local young athletes. We are based out of Deltona, FL and travel all over Central Florida as well as one out of town/state tournament per year. These donations help lessen the out-of-pocket expenses for our families and volunteers towards field rentals, tournament fees, uniforms, equipment, and out-of-town costs etc. To make all of this happen we are asking for your help. Any donation would be appreciated, and we are thankful for any assistance in helping our players be successful.

Our Mission: The CF Vipers Organization's goal is to help our youth become respectful and upstanding young adults while teaching sportsmanship, life skills, building confidence, and playing great baseball! We believe that what we do here is so much bigger than baseball with a strong part of our focus on academic growth and aptitude. We are proud to be a part of the Deltona FL community and to have the opportunity to give back. Our athletes and coaches are actively involved in volunteering, raising awareness, and community events, and we are committed to making a positive impact in our city. The more community help we receive the further we can reach back out to the community.

We accept donations in ANY amount. Thank you for your contribution
