A Spider-Man figure in a red and blue suit is shown from the back, looking out over a dark, virtual cityscape at night. The figure is positioned in the center of the frame, with its back to the camera. The background is filled with blurred lights and structures, suggesting a dense urban environment. A semi-transparent dark grey banner is overlaid across the middle of the image, containing the text "YOUR VIRTUAL PHOTOGRAPHY" in white, uppercase letters. Below this banner, the words "RESOURCE LIST" are written in large, bold, dark grey, uppercase letters.
