Fellow Alumni of Dillard University:

It is with great pleasure that I invite you to the Dillard University National Alumni Association's Hybrid Spring Annual Meeting! The meeting is open, free of charge, to **ALL** Dillard University alumni however, attendees must pre-register for the meeting on the DUNAA website, www.dunaa.org/22-spring-meeting.

Do take a moment to review the enclosed, action-packed agenda that includes collaboration with our key stakeholders – Board of Governors, alumni, students, and university officials. This is a great opportunity to leverage the achievements of the past and propel DUNAA into an extraordinary future. So, please come to the meeting prepared to engage in meaningful dialogue, open to new possibilities, and committed to the mission of DUNAA. Also, don't skip the DUNAA Reminder Sheet in the communication as it includes useful information that you want to know before the meeting. Please pay close attention to the information regarding the DUNAA Welcome Station for the 2022 Annual Reunion.

I look forward to welcoming you at the DUNAA Spring Annual Meeting, Friday, May 13, 2022, at 3:30 p.m. in the Georges Auditorium on the campus of Dillard University and virtually via ZOOM. The zoom links will be posted on the website and sent to the membership via email.

UNIVERSITY UPDATES

Dear Bleu Devil Alumni,

We are looking forward to welcoming you back to the Avenue of the Oaks for Alumni Reunion 2022. As you prepare for your return, we ask you to keep the following things in mind:

- Proof of vaccination (or evidence of a negative COVID test within 72 hours should be made available upon request
- We advise alumni to get tested prior to arriving (even if you are vaccinated)
- Rapid COVID tests will be made available on campus for those who need one
- Masks must be worn at all indoor events
- Please do not attend if you feel ill or have COVID symptoms
- Please remember to wash your hands thoroughly throughout all Reunion events

In the past week, the Dillard campus has seen an uptick of COVID cases that is consistent with levels seen throughout Louisiana. The vast majority of our cases resulted from a couple of off-campus events students attended. Most of the students will have departed campus by the time Reunion begins. The graduates and a few student volunteers (who will be tested) will remain on campus.

Our goal is to provide you with the best and safest experience possible. We will need your help to accomplish this. We appreciate you and we can't wait to see you May 12-15.

****Update as of April 29, 2022 on the website and May 2, 2022 via email to DUNAA Board of Governors from Adrian Anderson, JD, Assistant Vice President, Development and Alumni Relations***
