

Sharon A. Cannon '87 has served the Dillard University National Alumni Association with distinction and diligence. During her most recent tenure as Second Vice President, she helped members and chapters to renew their commitment to Dillard and thrive at supporting the institution. Key among her achievements is the implementation of a digital membership management platform which modernized the collection of dues/payments, provided immediate confirmation on completed transactions, and enhanced recordkeeping within the organization.

A DUNAA life member, Ms. Cannon championed numerous initiatives that promoted DUNAA's mission and boosted support for the organization. Under her leadership as the Second Vice-President, the number of DUNAA chapters and DUNAA members has grown! DUNAA's involvement in university activities such as SOAR Week, homecoming, reunion and graduation also expanded to include special recognition, reconnection, and relaxation for members. Beyond the Avenue of the Oaks, Ms. Cannon has admirably represented DUNAA at events hosted by chapters in their hometowns, conferences sponsored by affiliated partners, and other occasions that celebrated Dillard alumni.

Having rendered impactful service to DUNAA, demonstrated a faithful commitment to Dillard alumni and students, and fostered an exciting vision for DUNAA's future, Sharon A. Cannon is poised to continue serving DUNAA as the Second Vice-President for the 2025-2027 biennium.
