

Jasmine Nicole Brandon

Biography

Jasmine Brandon is an accomplished business professional with a deep passion for Human Resources and community development. A proud graduate of Dillard University, Jasmine earned a Bachelor of Science in Business Administration in 2014, with an award of being named “Outstanding Student in Business Administration in 2013”. This recognition was a testament to Jasmine's dedication, leadership, and academic excellence throughout her college years.

After earning her undergraduate degree, Jasmine quickly established herself as a skilled and dedicated HR professional. With nearly a decade of experience in Human Resources, Jasmine has developed a robust understanding of organizational dynamics, talent management, employee relations, and strategic HR practices. Her experience spans multiple industries, with a focus on driving operational efficiency, employee satisfaction, and fostering a positive workplace culture. Building on her professional foundation, Jasmine pursued and successfully earned a Master of Business Administration (MBA) with a focus on Human Resource Management from Louisiana State University of Shreveport, LA.

This advanced degree has further sharpened her leadership capabilities and broadened her expertise in business strategy, organizational behavior, and HR analytics. Her MBA has allowed Jasmine to bridge the gap between business acumen and HR expertise, allowing them to align human resources strategies with broader organizational goals to achieve measurable results.

Beyond her professional accomplishments, Jasmine demonstrates a strong commitment to giving back to the community. Notably, she serves as the Chairman of the Board for the Northwest Louisiana Community Development Corporation in Shreveport, LA. In this role, Jasmine plays a key leadership role in shaping the organization's mission, goals, and strategies for promoting sustainable economic development in the region.

Her leadership helped facilitate initiatives that improved the quality of life for local residents, supporting education, housing, and employment opportunities in the community.
