

Total Aquatic Programming

PARTNERS & PREFERRED PROVIDERS LIST

TAP's Partners and Preferred Providers have offered to extend either preferred pricing and/or service to our TAP Clients. This assists our projects with building and operating more effective and efficient facilities, and more successful profitable businesses.

Current types of assistance include:

- Design, Engineering, and Consulting Firms
- Building and Construction representatives
- Product Manufacturers
- Service suppliers
- Distributors
- Programming specialist

We are continually searching for knowledgeable & experienced firms/companies with a proven track record to increase service options for our clients.

The companies that make up our partners and preferred providers list must meet expectations for exemplary service, knowledge, and quality of workmanship for our customers, and attend a Build a Pool conference at least once every 4 years. These providers are capable of coordinating all activities with TAP and support solution-oriented innovations in the aquatics field. TAP-LLC is not responsible for the quality of products or services from any companies listed. If there is a cost savings realized by using our partners and preferred providers, those savings are passed on directly to TAP clients involved in the project. Providers who make or distribute a PRODUCT must have a minimum of 2 years of successful product use-statistics in the USA for a minimum of 15 aquatic centers in at least 5 states.

The companies or organizations that are listed may use the terminology: "A preferred provider for TAP-LLC and their Build a Pool initiatives" in their literature or on their web page. They may be authorized to use or display the TAP logo on their web site or literature.

For partnership, sponsorship, or other supporting opportunities please email mick@totalaquaticllc or suenelson@totalaquaticllc. There is a yearly subscription fee for being listed as a TAP-LLC Preferred Provider since the providers will acquire new clients from our listing, distribution, and marketing.

TAP PREFERRED PROVIDER

Providers Legend

SERVICE PROVIDERS & EDUCATIONAL PROGRAMMING

TAP's Legend to help you complete your due diligence process

HVAC – Desert Aire is our number one manufacturer for Heating Ventilation air Conditioning for aquatic facilities. Most modern energy saving equipment with superior after sale service.

Buildings – SERG – Sports Event Resource Group. An extremely affordable aluminum beam membrane building that can be permanent or go up and down seasonally. Much less expensive than the traditional steel wall building and can be operated at negative pressure rather than positive pressure like a bubble.

Engineering and Design – Counsilman Hunsaker has successfully engineered and designed more aquatic facilities than any other firm. In partnership with TAP-LLC, they can take a project from dream stage to completion and then help with programming and operations to make any size project a community asset.

Feasibility Studies and pool audits - Counsilman Hunsaker creates professional studies to assist a new project in planning, cost to build and operate, and overall project presentation to those stake holders in the project. They also do pool and facility audits that can significantly help with renovations and upgrades.

Pool equipment – Both Lincoln Aquatics and Spectrum Aquatics distribute a complete line of aquatic equipment and accessories for pools and facilities.

Recreational play equipment – AquaWorx and Water Odyssey (PlayCore companies) are manufactures and designers of specialty features and equipment for waterparks and splash pads.

Signs - Clarion Safety Systems Manufacturers of waterproof signage for aquatic centers.

Pool Lane Lines & storage reels – Removable Turn Walls – all things Water Polo - Malmsten manufactures the number 1 brand of competitive lane lines plus all water polo equipment.

Providers Legend

SERVICE PROVIDERS & EDUCATIONAL PROGRAMMING

Legend Continued

Filter room equipment - Evoqua Neptune Benson and ETS. Manufacturers of the most effective and efficient pool filter, the Defender Regenerative Perlite filter. They also manufacture the ETS Medium Pressure UV system.

Pool heaters – Sentry Value Manufacturers the most energy efficient and longest lasting pool water heaters. They also manufacture specialty valves for pools.

Specialty pools – SwimEX manufacturers the most versatile therapy and programming pool; available. They are the only company with the patented paddle wheel design for creating flow-resistance in the pool.

Operational & Programming Tracking and Scheduling – Software – Pool Operator Courses – Counsilman Hunsaker is the creator of **Hydro Apps**. They also have courses and information to help facility managers, aquatic directors, lifeguard managers, and others with record keeping and tracking.

Stainless Steel Pools: Myrtha Pools is the company USA Swimming uses for their Olympic Trials. These top-quality pools can be on the ground or in the ground. Long lasting and operationally friendly on the budget. All sizes available from therapy pools to championship facilities. Myrtha also offers a renovation system that can take an older pool and turn it into a new stainless steel wall pool.

Stainless Steel Concrete Pools – RenoSys manufactures, designs and installs both the Vanguard modular concrete pool and a stainless-steel pool. These come in all sizes and can be on the ground or in the ground. RenoSys also manufactures and installs the modern slip resistant synthetic decking Dry Deck.

Automatic timing – Colorado Time Systems (a PlayCore Company) manufactures the most popular touchpads, timing system, and scoreboards for competitive swimming.

Aquatic Exercise Equipment – Indigo Aquatics manufacture of unique water exercise equipment.

Aquatic Exercise Programming and Education - WE COACH & WAVEMAKERS. Online education and certification along with in person instructor training options. AEA (Aquatic Exercise Assoc) and ATRI (Aquatic Therapy and Rehab Assoc) Annual convention and regional workshops along with online trainings and certifications.

Providers Legend

SERVICE PROVIDERS & EDUCATIONAL PROGRAMMING

Legend Continued

Aquatic Professionals Education and resources – AOAP - Association of Aquatic Professionals has become the most popular annual educational convention. Everything aquatic is offered. Online continuing education opportunities are also offered. **ASCA – American Swimming Coaches Assoc** – is the number one supplier of swimming coaches certification and education.

Swim Organizations – USA Swimming is the national governing body for competitive swimming in the USA. **Masters Swimming** is the national governing body for adult competitive swimming and adult learn to swim.

Learn to Swim- Starfish Aquatics Institute SAI is TAP's preferred national curriculum for all ages and stages of learn to swim. SAI also offers the **AquaTech** Pool Operator Course. **USSSA - United States Swim School Assoc** is a national organization for for-profit swim schools. USSSA offers 2 national conventions yearly.

Lifeguard Certification – StarGuard ELITE is TAP's preferred system for aquatic risk prevention training, lifeguard certification, and consulting programs.

Water Safety and Drowning Prevention – The NDPA (National Drowning Prevention Alliance) are the leading experts in drowning prevention. The NDPA conducts a national convention that offers education and supporting membership opportunities for individuals and smaller foundations and organizations interested in drowning prevention. On-line education is also offered. **STOP DROWING NOW** offers educational materials for the classroom plus on-line tools for drowning prevention.

Aquatic Therapy - Swim Angelfish are specialist in child aquatic rehab and special needs learn to swim. They conduct both in-person and on-line training. North County Water & Sports Therapy Center are specialist and licensed therapist for all forms of aquatic physical therapy. They offer both in-person and on-line training and education.
