Because life is a gift....

About Me

My name is Kira and I am the creator behind Makin' Memories with Kira.

As well as being a photographer and videographer, I am a teacher and mother to a beautiful little girl.

My passion for photography started at a young age and continued to flourish as I grew. I always take the time to understand my clients and what they want, as well as adding my own flare. I believe I am a kind, caring, approachable and a down to earth person.

I have a passion for creating memories that will last a lifetime.

Creating new life

I have been lucky enough to go through this experience of creating new life firsthand and what a privilege it is. The female body can do incredible things, so why not celebrate it. Let's have some fun and photograph that beautiful bump. Whether you're beginning your family or growing it, let's capture that moment in time.

Remember we are the lucky ones.

Session Fee \$150

This is a non-refundable fee that needs to be paid when placing your booking to reserve your session. It is however, transferable to another date within reason.

This fee covers my time and doesn't include any digital images, prints or products.

Payment

Once your session has been confirmed, bank details will be provided for you to transfer the deposit and later the remainder of the amount.

Digital Packages

Basic Bump \$100

Receive 15 of your best images (decided by me) on a thumb drive. Your images will be given to you in colour or black and white depending on your preference.

Ultimate Bump \$170

Receive all photos from your session on a thumb drive. You will be given your images in a variety of colour and black and white.

A photo book can be added to this package for an addition cost.

Progression Session \$350

Want to capture your bump as it grows? This is the package for you. Have 2 sessions. The first session between 12 and 29 weeks. The second session between 30-39 weeks. Receive all your photos from both sessions on a thumb drive. You will be given your images in a variety of colour and black and white.

The images that you receive on your thumb drive and therefore have paid for have NO copyright. These prices are in addition to the session fee.

Rescheduling

Please contact me via Facebook messenger or phone ASAP if you wish to reschedule your session.

Rescheduling your session can take place if you or a family member are ill or injured, due to bad weather or a family emergency.

Due to most of my sessions being conducted outdoors, if the weather is not ideal, I may ask to reschedule your session.

Privacy Information

Unless otherwise specified on the booking form, Makin' Memories with Kira has the rights to all images. These images may be used for advertisement, social media or other purposes.

Payment Methods

Session fees need to be paid when booking to secure your chosen date and time. This needs to be transferred into my bank account or a cash payment can be arranged.

Paying for your package needs to be done no longer than a week after your session has taken place. Once again this can be bank transferred or paid with cash.
