

## Safety Data Sheet Cajun Patriots Gun Oil

---

### SECTION 1: Identification

#### 1.1 Product identifier

Product name Cajun Patriots Gun Oil

#### 1.2 Other means of identification

UPC #'s - 860004579915, 860004579908

#### 1.3 Recommended use of the chemical and restrictions on use

Firearm lubrication. For specific intended-use guidance, please refer to the information provided on the package or instruction sheet.

#### 1.4 Supplier's details

Name Cajun Patriots, LLC  
Address 214 Golden Grain Rd.  
Duson, LA 70529-4204  
USA

Telephone (337) 372-2100

#### 1.5 Emergency phone number(s)

(337) 372-2100 (9am to 5pm Mon-Fri Central Time)

---

### SECTION 2: Hazard identification

#### 2.1 Classification of the substance or mixture

GHS classification in accordance with: (US) OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

#### 2.2 GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

#### 2.3 Other hazards which do not result in classification

No data available.

---

### SECTION 3: Composition/information on ingredients

# Safety Data Sheet

## Cajun Patriots Gun Oil

### 3.1 Substances

Not applicable.

### 3.2 Mixtures

#### Components

| Component*  | Concentration*         |
|---|------------------------|
| Distillates (petroleum), hydrotreated heavy paraffinic (CAS no.: 64742-54-7)                | 25.0 – 30.5 % (weight) |
| 1-Decene, homopolymer hydrogenated (CAS no.: 68037-01-4)                                    | 6.7 - 13.4 % (weight)  |
| Lubricating oils (petroleum), C15 -30, hydrotreated neutral oil-based (CAS no.: 72623-86-0) | 1.4 % (weight)         |

\*The specific chemical identities and/or actual concentrations for one or more listed components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

---

## SECTION 4: First-aid measures

### 4.1 Description of necessary first-aid measures

|  |  |
|--|--|
| General advice   | Consult a physician. Show this safety data sheet to the doctor in attendance.  |
| If inhaled   | If breathed in, move person into fresh air. If breathing is irregular or stopped, give artificial respiration. If symptoms persist, get medical attention. |
| In case of skin contact                                | Wash with plenty of water as a precaution. Call a poison center or doctor if irritation develops or persists.  |
| In case of eye contact                                 | Rinse cautiously with water. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention/advice. |
| If swallowed   | Do NOT induce vomiting. Immediately call a POISON CENTER/doctor. Never give anything by mouth to an unconscious person.                                    |
| Personal protective equipment for first-aid responders | Refer to Section 8 for specific personal protective equipment recommendations.   |

### 4.2 Most important symptoms/effects, acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11.

|                         |   |
|-------------------------|---|
| If inhaled              | No information available on significant adverse effects.  |
| In case of skin contact | Prolonged and repeated exposure may cause skin irritation. Signs/symptoms may include localized redness, dryness and itching. |
| In case of eye contact  | May cause eye irritation. Signs/symptoms may include redness, swelling, pain, tearing, and blurred or hazy vision.            |
| If swallowed            | May cause gastrointestinal irritation, nausea, vomiting and diarrhoea.  |

### 4.3 Indication of immediate medical attention and special treatment needed, if necessary

Treat symptomatically.

---

## SECTION 5: Fire-fighting measures

# Safety Data Sheet

## Cajun Patriots Gun Oil

### 5.1 Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

### 5.2 Specific hazards arising from the chemical

Hazardous combustion products: Carbon oxides and other hazardous fumes and gases.

### 5.3 Special protective actions for fire-fighters

Wear self-contained breathing apparatus for firefighting if necessary.

---

## SECTION 6: Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

For personal protection see section 8. Ensure adequate ventilation. Avoid breathing gas, mist, vapors, spray. Prevent contact with eyes and skin. Evacuate personnel to safe areas. Remove all sources of ignition.

### 6.2 Environmental precautions

Avoid any discharge in the sewer system and in natural environment. Contain spilled material to avoid a possible contamination of the environment.

### 6.3 Methods and materials for containment and cleaning up

Soak up with inert absorbent material. Keep in suitable, closed containers for disposal.

#### Reference to other sections

For disposal see section 13.

---

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin and eyes. Avoid inhalation of vapor or mist. Wash hands with soap and water after handling. Do not eat, drink or smoke when using this product. Keep away from heat/sparks/open flames/hot surfaces. Keep out of reach of children. For personal protection see section 8.

### 7.2 Conditions for safe storage, including any incompatibilities

Keep container tightly closed in a dry, cool and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

#### Specific end use(s)

Apart from the uses mentioned in section 1 no other specific uses are stipulated.

---

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

The following constituents are the only constituents of the product which have a PEL, TLV or other recommended exposure limit. At this time, the other constituents have no known exposure limits.

Distillates (petroleum), hydrotreated heavy paraffinic  
PEL-TWA: 5 mg/m<sup>3</sup> (OSHA)

1-Decene, homopolymer hydrogenated  
PEL-TWA: 5 mg/m<sup>3</sup> (OSHA)

Lubricating oils (petroleum), C15 -30, hydrotreated neutral oil-based  
PEL-TWA: 5 mg/m<sup>3</sup> (OSHA)

# Safety Data Sheet

## Cajun Patriots Gun Oil

### 8.2 Appropriate engineering controls

Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, gas, etc.) below recommended exposure limits. Ensure that eyewash stations and safety showers are close to the workstation location.

### 8.3 Individual protection measures, such as personal protective equipment (PPE)

#### Pictograms

#### Eye/face protection

Safety glasses/goggles are recommended.

#### Skin protection

Wear protective gloves, such as nitrile gloves.

#### Body protection

The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

#### Respiratory protection

If engineering controls and ventilation are not sufficient to control exposure to below the allowable limits then an appropriate NIOSH/MSHA approved air-purifying respirator or self-contained breathing apparatus must be used. Supplied air breathing apparatus must be used when oxygen concentrations are low or if airborne concentrations exceed the limits of the air-purifying respirators.

#### Thermal hazards

No data available.

#### Environmental exposure controls

Do not let product enter drains.

---

## SECTION 9: Physical and chemical properties

### Information on basic physical and chemical properties

|   |                      |
|---|----------------------|
| Appearance/form (physical state, color, etc.) | Red liquid.          |
| Odor  | Mild petroleum odor. |
| Odor threshold                                | No data available.   |
| pH  | No data available.   |
| Melting point/freezing point                  | No data available.   |
| Initial boiling point and boiling range       | No data available.   |
| Flash point                                   | No data available.   |
| Evaporation rate                              | No data available.   |
| Flammability (solid, gas)                     | Not applicable.      |
| Upper/lower flammability limits               | No data available.   |
| Upper/lower explosive limits                  | No data available.   |
| Vapor pressure                                | No data available.   |
| Vapor density                                 | No data available.   |
| Relative density                              | No data available.   |
| Specific gravity                              | No data available.   |
| Solubility(ies)                               | No data available.   |
| Partition coefficient: n-octanol/water        | No data available.   |
| Auto-ignition temperature                     | No data available.   |

# Safety Data Sheet

## Cajun Patriots Gun Oil

Decomposition temperature  
Viscosity  
Explosive properties  
Oxidizing properties

No data available.  
No data available.  
Not explosive.  
No oxidizing.

**Other safety information**  
No data available.

---

### SECTION 10: Stability and reactivity

#### 10.1 Reactivity

Not classified as a reactivity hazard.

#### 10.2 Chemical stability

Stable under normal storage conditions.

#### 10.3 Possibility of hazardous reactions

No data available.

#### 10.4 Conditions to avoid

Avoid excessive heat, open flames or other sources of ignition.

#### 10.5 Incompatible materials

Strong oxidizers.

#### 10.6 Hazardous decomposition products

Carbon oxides and other hazardous fumes and gases.

---

### SECTION 11: Toxicological information

#### Information on toxicological effects

Likely Routes of Exposure: Eye contact. Skin contact. Inhalation.

Symptoms and effects from inhalation, skin and eye contact and ingestion are listed in Section 4.

#### Acute toxicity

Based on available data, classification data are not met.

#### Skin corrosion/irritation

Prolonged and repeated exposure may cause skin irritation. Signs/symptoms may include localized redness, dryness and itching.

#### Serious eye damage/irritation

May cause eye irritation. Signs/symptoms may include redness, swelling, pain, tearing, and blurred or hazy vision.

#### Respiratory or skin sensitization

No data available.

#### Germ cell mutagenicity

No data available.

#### Carcinogenicity

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by IARC.

# Safety Data Sheet

## Cajun Patriots Gun Oil

ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

### **Reproductive toxicity**

No data available.

### **STOT-single exposure**

No data available.

### **STOT-repeated exposure**

No data available.

### **Aspiration hazard**

No data available.

---

## **SECTION 12: Ecological information**

### **Toxicity**

No data available on product

### **Persistence and degradability**

No data available on product

### **Bioaccumulative potential**

No data available on product

### **Mobility in soil**

No data available.

### **Results of PBT and vPvB assessment**

PBT/vPvB assessment not available as chemical safety assessment not required/not conducted

### **Other adverse effects**

No data available.

---

## **SECTION 13: Disposal considerations**

### **Disposal of the product**

Disposal should be in accordance with applicable Federal, State and local laws and regulations. Local regulations may be more stringent than State or Federal requirements.

### **Disposal of contaminated packaging**

Dispose of as unused product.

---

## **SECTION 14: Transport information**

### **DOT (US)**

Not dangerous goods

### **IMDG**

Not dangerous goods

### **IATA**

# Safety Data Sheet

Not dangerous goods

---

### SECTION 15: Regulatory information

#### 15.1 Safety, health and environmental regulations specific for the product in question

##### SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

##### SARA 311/312 Hazards

No SARA hazards.

##### SARA 313 Components

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

##### HMIS Rating

| Cajun Patriots Gun Oil |   |
|------------------------|---|
| HEALTH                 | 1 |
| FLAMMABILITY           | 1 |
| PHYSICAL HAZARD        | 0 |
| PERSONAL PROTECTION    |   |

##### NFPA Rating
