Winter is here. Please bring your child's snow pants, boots, hats and waterproof mittens on any days with snow in the forecast or on the ground. The preprimary children will be going outdoors every day above 25 degrees. The two's above 30 degrees and the toddlers above 35 degrees. **Please label the items with your child's name.**

## School Safety

Please help us keep our children safe by following a few simple rules. Please sign your child in each morning and sign your child out each evening with a signature to assist us in keeping an accurate count in the classroom. Please do not open the door for other parents that you do not know. They will understand that they need to use their code or ring the doorbell to gain access to the building. Please keep your school age children with you while picking up their siblings and please pick up your youngest child before picking up your older child. This helps keep the infant and toddler rooms cleaner and healthier.

## January Play Date

Join other parents for a visit at the Arlington Heights Library at 10:30. It's time for family fun with stories, songs, and an art activity. For children ages 0-6 years, with adult. Siblings are welcome. Space is limited; tickets are given on a first-come, first-served basis at the Kids' World Desk before story-time begins. Check out the calendar using the link below. <https://www.ahml.info/attend/events/202001?undefined>

Please use family door codes as the doorbell rings in the classrooms and can disturb naps or group times. If you need your code please email Debbie at [dcreaney@littlelearnersinc.com](mailto:dcreaney@littlelearnersinc.com).

If you drop off your child during group time, please come into the classroom quietly and encourage your child to join the group. This is a main curriculum time for this age and it is difficult to regain the children's attention during group times.

If you have any questions regarding tuition or invoices please email Cherie at [Cherie@littlelearnersinc.com](mailto:Cherie@littlelearnersinc.com)
