

Valentine's Day Parties

The parties will take place at 9:00. Parents are welcome to participate in several ways. You can sign up to bring a treat, decoration, or juice. Parents can bring a small item for classroom goody bags or assist in the room during the party by planning a game or helping serve treats. Please remember that treats need to be store bought and follow the DCFS guidelines (no cupcakes, cookies or candy) in a container with the ingredients clearly marked.

School districts in Illinois provide preschool screening at no cost to parents. This includes hearing, sight, speech, large muscle, small muscle and academic screening. Children can receive speech or other services from the school district before starting their formal education. Many children who receive speech during the preschool years do not need as much assistance during the elementary years.

Parents can contact their local school for more information and to inquire about days and times for screening. Any concerns about your child under the age of three in AH, contact Christine Weber at (847) 255-8690 x114.

Dates to Remember

2/3	Scholastic Book Order Due
2/14	Parents Night Out
2/14	Wear Red Today
2/14	Valentines Parties
