

MOBILIZE

**HELLO
SAUDI**

Jalal Alzaghoul, Country
Director - Saudi Arabia

We are pleased to officially share that **MOBILIZE Talent Acquisition has expanded its presence into the Kingdom of Saudi Arabia**, one of the most dynamic and strategically important markets in the Middle East.

We are proud to welcome [Jalal Alzaghoul - Chartered FCIPD](#), as **Country Director – Saudi Arabia**, joining the MOBILIZE global partner network.

With over 15 years of experience in executive search, organisational transformation, and strategic HR leadership, Jalal brings deep local insight and a strong professional network across key Saudi industries. His background includes senior leadership roles in large industrial groups, board advisory positions, and extensive experience in performance management, talent development, and organisational restructuring.

Saudi Arabia is undergoing a profound economic and industrial transformation aligned with Vision 2030, creating significant demand for forward-thinking leadership and specialised talent across sectors such as:

• Automotive & Mobility • Industrial Manufacturing & Engineering • Advanced Technologies & Semiconductors • Energy Transition & Sustainability • Infrastructure & Smart Cities

Through our local presence in Riyadh and global MOBILIZE network, we aim to support organisations operating at the intersection of innovation, growth, and leadership transformation.

Jalal's appointment represents an important step in our continued global expansion — strengthening our ability to deliver **locally-embedded yet internationally connected executive search solutions**.
