

St. Michael the Archangel High School
Jeans With Faith Contract

One of our traditions at SMHS is "Jeans with Faith" day. These are designated days where students can wear blue jeans, a skirt or dress if young ladies prefer, and an outward sign of faith. Examples include necklaces with crosses, appropriately themed religious t-shirts, etc.

The guidelines for dressing are as follows:

Jeans **MUST** be modest. We will not allow skin-tight jeans, skinny jeans, or form-fitting jeans. Jeans with rips and tears are also prohibited. Jeans must be modest and appropriate for our environment. If you have a question regarding jeans, please see Ms. Tibado

Pants that include tights, spandex, and other form-fitting materials are prohibited except leggings which can only be worn with skirts.

Slacks may be worn, but skin-tight and form-fitting pants of any kind are prohibited. Shorts are also prohibited.

Skirts and dresses must also be modest. The appropriate length for skirts is knee length or below. Dresses and skirts must also not be skin-tight or form-fitting. No stiletto heels are to be worn, only closed toe shoes.

Blouses must be appropriately modest.

T-shirts do not include tank tops. Form-fitting t-shirts are prohibited.

Skin tight jeans are not allowed. Students will be held responsible if inappropriate attire is worn. The consequences will range from being sent home to receiving multiple demerits to losing the privilege of "Jeans with Faith" days for the individual or the entire student body.

Jeans with Faith days are fundraisers for the SGA and all funds will go directly to supporting and paying for the student's social events. 100% of funds raised go to support student activities. If you have any questions, please contact Ms. Tibado

The cost for each Jeans with Faith day will be \$2 per student.

Students must sign this document to acknowledge they have read and received the guidelines and understand the consequences of not following them. As young adults, our expectation of our students is to lead by example and we do not expect to have any issues this school year. Students who do not sign the pledge will not be allowed to participate in Jeans with Faith days and must wear their school uniform on those designated days.

A place for your student to sign is included with this document. Please have your student sign this document and return it to Ms. Tibado

I have read and fully understand the dress code guidelines for "Jeans with Faith" days at SMHS. By signing this agreement, I acknowledge my responsibility to dress with dignity and to lead by example, as Christ expects, with modesty and humility. I agree that I will comply and follow the dress guidelines. I realize that if I break my pledge, I will be held accountable. I also understand that "Jeans with Faith" is a privilege and should be treated as such.
