## Your Navigator for Home Independence

Need assistance with a return home? We have the flexibility to assist with immediate needs such as a return home from hospitalization or rehabilitation.

### No Surprises Pricing

Before any work begins, we provide you with a written price quote with no surprises.

*"We want to thank Mike, Lisa and Al for a job well done. Despite the intense heat, the deck was completed on time and exceeded our expectations. In addition, they cleaned up the yard upon completion. We would happily recommend them to family and friends. Keep up the good work!"*  
-Pete and Jennifer H., Verona, WI

*"Mike and Lisa, Thank you so much for the ramp. It's amazing and works perfect for our daughter. You were both a pleasure to work with and we couldn't be any more happier with the ramp."*  
-Michelle, Madison, WI

*"I'm so thankful to have found Accessibility Plus! Mike's expertise ended up saving me over a thousand dollars...Mike and Lisa make a great team and I highly recommend them!"*  
- Holli, Madison, WI
