Bryan, Boothe and Killian step up

Board
of
Directors

Responding to a December request for candidates to guide the Club as a board member beginning in May 2018, Melanee Killian and Tim Boothe have volunteered to run as candidates to fill the positions being vacated by Don Engelbert and Criss Davis. The three-year terms will run from 2018-21.

Tim Bryan, who serves as the Club's treasurer but is not a current board member, will join the board in 2018. The Club's bylaws stipulate the secretary/treasurer must be a board member.

The board is composed of seven board members. Six are elected by the general membership and the seventh member, the Ladies League representative, is unelected. Adam Davidson's and Harold Howard's terms will expire in April 2019. Carrie Gustus and Brandon Montgomery are nearing the completion of their first year serving on the board.

Staggered terms ensure leadership continuity. Please share your ideas for improvements, fundraising and willingness to volunteer with any board member. Start your year off with kindness—let those who lead, volunteer and maintain the Club know their dedication is appreciated.

Give it a second life

Give your older smartphone (iPhone 5 or newer) or iPad a second life by donating it to the Club.

Credit transaction card readers require newer smartphone or notebook technologies to work—especially for debit transactions. Electronic transactions help the Club avoid insufficient funds that have appeared using sales slips to accept credit cards.

Looking at early

2018

Events and ideas under consideration to enhance the Club's finances:

- January—Determine budget, consider viability and amount of greens fees and cart rental price increase, salary increase for superintendent.
- February—Tournament Committee meets to determine 2018 schedule and Club holdback percentages, including Friday night and end-of-month scrambles.
- March—Spring chemical applications.
- April—Tournaments start; annual meeting; board refresh.

Contact Brandon Montgomery, 620-205-7651, or Carrie Gustus, 620-216-0233, if you would like to help organize the schedule, advertise or coordinate a particular event.

Raising additional funds

Property taxes, chemical costs, fuels, clubhouse maintenance and mechanical repairs are just a few of the

expenses that continue to increase. Member dues, tournament income and greens fees are not adequate to meet all the expenses.

If you have fundraising ideas, please contact any board member of Jarrod Miller at 620-331-9233.
