Sign up in clubhouse or contact Steve Berry, 620-252-5022. Register early as each event requires a minimum of eight 4-person teams, limited to the first 15 teams to sign up by Sept. 6. Players are encouraged to bring their own glow balls. Glow sticks, cart lights and flashlights are encouraged for navigating the course after dark.

## Looking up

While the club reported an operating loss of \$3,400 through July, which included \$4,676 in tournament income, seven upcoming tournaments can make a significant contribution.

Tournaments are scheduled for the benefit of members: for entertainment; to introduce the course and club to guests and potential new members; and to supplement income.

## Coming soon: weather warning system

A weather warning siren will be installed soon to alert players if they need to take cover and clear the course. Please be aware during inclement weather and take the actions needed for your own safety.

Thanks to Frank LaForge for his siren research, donation, assisting Jarrod in its installation and documenting its presence to the insurance company.
